This is exactly the story behind this list which appeared first as a few pages within the directory StarGuides or whatever
name it had at that time and as a distinct sister publication since 1990 The idea behind this dictionary is to offer astronomers
and related space scientists practical assistance in decoding the numerous abbreviations acronyms contractions and symbols
which they might encounter in all aspects of the vast range of their professional activities including traveling Perhaps it is a
bit paradoxical but if scientists quickly grasp the meaning of an acronym solely in their own specific discipline they will
probably encounter more difficulties when dealing with adjacent fields It is for this purpose that this dictionary might be
most often used Scientists might also refer to this compilation in order to avoid identifying a project by an acronym which
already has too many meanings or confused definitions InfoWorld ,2003-10-27 InfoWorld is targeted to Senior IT
