Experiencing Hildegard Avis Clendenen, 2009 In *Experiencing Hildegard* Avis Clendenen synthesizes the spirituality of Hildegard of Bingen into a fresh combination with insights from Jungian depth psychology particularly that of the unconscious and the soul's reality Hildegard lives in these pages not only through the superb analysis of a woman living in a turbulent and changing time but also in an affirmation of Hildegard's deep trust of the soul's potential to change individuals and their culture Hildegard emerges as a woman deeply immersed in a rich inner life creatively expressed in many forms In particular she is seen as a woman of the past caught between a patriarchal institution and her recognition of the divinity of all creation and of the feminine She thus anticipates by many centuries the anguish of our time The domains of eco feminism spirituality both ecclesial and secular and the natural religiosity of the psyche are all enriched by the synthetic consciousness evident in this work The psychology theology interface is a contemporary necessity and this volume in particular will be warmly welcomed by clinicians spiritual directors artists and musicians the Hildegard readership and the general searching public
