Global Marketing is invaluable text for M Com and MBA students studying international or global marketing Today many companies have trouble deciding whether using a truly global marketing strategy is right for them There is a slight trend back toward localization due to new efficiencies of customization made possible by technology the Internet and new manufacturing processes e Mass Customizatione has now taken the place of e Mass Production e In today s world the customer does not always respond to a e one size fits alle approach Global marketing is also a field of study in general business management to provide valuable products solutions and services to customers locally nationally internationally and worldwide Global Marketing Management equips students with knowledge and skills to enable them to make key management decisions and understand how organisations may be navigated through the increasingly dynamic and challenging global trading environment Global marketing management is of great importance to a company that is looking to offer its product in an international market This book will give a high level overview of the planning and organization marketing leaders must address when considering a new country to sell its product in **Consumer Behaviour and Advertising Management** Conner Acevedo,2018-01-11 This book is designed to familiarise readers with a wide range of managerial issues faced by modern advertising strategies in planning implementing and controlling the advertising efforts of various enterprises It contains numerous examples of successful advertising images alongside accompanying commentary to illustrate just what goes into making an effective advertisement The positive role played by advertising in the market process has been largely ignored by academic economists It is only recently since the modern economic revolution that economists have realized the benefits of advertising and have joined the research agenda developed by researchers in marketing and other business fields Consumer Behaviour CB intended for students of MBA specializing in marketing undertakes detailed discussions to explain and analyse behaviour of Indian consumers and strategies used by marketers to deal with them Marketers need to understand the buying behaviour of consumers while designing their advertisements for the desired impact Advertisements play an essential role in creating an image of a product in the minds of consumers Advertisements must be catchy and communicate relevant information to consumers Understanding the needs of the consumer is really

important when it comes to creating the right advertisement for the right audience Remember it is only through advertisements individuals are able to connect with your brand This book provides an excellent introduction to the topic of how reasons and emotions combine to shape the consumption experience by influencing the analytic hedonic social moral and even reptilian aspects of the human condition in the marketplace Thus the material presented here would be of interest as well as of great use to the students teachers and professionals in the field **Resources in Education** ,1982
