**Recovery Sucks** Amy Hart, 2023-06-13 Being crowned homecoming gueen fast tracked me to an identity crisis that catalyzed my disclosure of ten years of sexual abuse at the hands of my stepfather I dropped out of high school for the first half of my senior year while the disclosure was incinerated in my notorious stepfather's career climbing kiln I am recovering my authentic self from the rubble of losses amassed over years of enduring entirely narcissistic parents I felt shame and disgrace about the unsavory and scandalous parts of my life As a result I kept quiet and kept my words to myself I had every reason to die in a self destructive implosion Instead I wrote this book Recovery is a gritty and ceaseless process that has no finish line My mother always told me I was going to need a lot of therapy She also told me to never have kids because it will be the worst thing you ever do My mother was right about the therapy but she was wrong about the kids Life is riddled with conflict Conflict motivates my writing and passion for conflict resolution Twenty years of therapy at two to three times per week helped me construct a useful and productive life and it has allowed me to hone my native genius being a mother I ve given myself a self accredited PhD in life with a master s in conflict resolution and personality disorders My greatest hope is that you are entertained and inspired by my life story. The self discovery that occurred during the creation of this book holds some shocking conclusions Is it possible that being sexually abused was my saving grace Is it possible that my alcoholism is not destructive This book is not a how to about recovery It is about self discovery and where I am in the sucky recovery From The Plains...To Planes...And Other Plain Talk John Whalen, 2009-07-24 Raised on a farm in the plains process of North Dakota John Whalen was determined there had to be a better life somewhere For much of his youth he lived without electricity and indoor plumbing He despised farming When he saw there was no change to broaden his education in the state he sought other means Thus began his journey From The Plains To Planes And Other Plain Talk As an adolescent John Whalen realized that he may be gay His upbringing would not permit such a thing and he was determined as he matured that those feelings would disappear Leaving for the west coast he worked for two trucking companies and finished college He enjoyed the business but became bored with life in Portland He decided to travel to Alaska In Alaska he found opportunities he could not have imagined Starting with a small auditing firm the opportunities grew and ultimately he found himself the president and CEO of one of the nation's largest worldwide airfreight forwarding companies. The path to success was not easy and Whalen faced many struggles including his sexual orientation a disruptive divorce and diabetes Determined to come out a winner he made decisions in his life that eventually brought him success and happiness Portal to Hell Revnaldo Reyes, 2011-11-08 Jesus Christ is not a human man Jesus Christ is a deity He can transform himself into anything Jesus Christ
