1969 Ford Mustang Mach 1 Mike Mueller,2018 By the time the 1969 model year rolled around it was well established that muscle cars were fast and plentiful Every manufacturer had at least one corner of the showroom where the go fast guys could congregate and discuss the merits and time slips of the latest performance offerings Competition being what it was the manufacturers were looking for ways to entice potential buyers to choose their product over ever increasing offerings from the competition Some manufacturers tried to accomplish this with affordable prices some tried fancy marketing schemes and some created a look and a style that screamed performance even when standing still The 1969 Mach I was Ford s attempt to create a package and a style to match the performance of its recently released and very potent 428 ci Cobra Jet engine package Displacing the still available but more conservative GT trim the Mach I included unique and innovative graphics and mechanical innovations including shaker hood scoops dual racing mirrors deluxe interiors competition suspension dual chrome exhaust tips and blacked out hoods The result was a wildly popular model that sold more than 70 000 units compared to slightly more than 5 000 GT models for the year Each volume in the In Detail Series provides an introduction and historical overview an explanation of the design and concepts involved in creating the car a look at marketing and promotion an in depth study of all hardware and available options and an examination of where the car is on the market today Also included are paint and option codes VIN and build tag decoders as well as production numbers Rare Finds Jerry Heasley,2012 In this follow up to Jerry Heasley s Rare Finds Heasley has built a collection of his finest stories including the 1969 Boss prototype owned by Ford stylist Larry Shinoda the original 1967 Shelby Mustang prototype and more *Old Car Auction Bible* Brian Earnest,2013-11-04 Straight from the auction block Old Car Weekly s Old Car Auction Bible is your handy resource for collector vehicle auctions from all corners of the U S In it the publishers of Old Cars Weekly and Old Cars Report Price Guide have compiled more than 40 important sales from around the country that can give hobbyists a true picture of what cars are selling for and where the collector car market is headed All the big auction houses are represented Mecum Russo and Steele Barrett Jackson RM Auctions Auctions America Worlwide Bonham s Gooding and many more *Mustang 1964 1/2-1968* Tom Corcoran, Design production and service histories of our most popular subjects combined with top notch color photograph **The Age of the Muscle Car** Clay Fees,2022-02-01 A breed unlike any seen before or since the powerful stylish American muscle car defined an era in automotive history This history traces the rise and fall of these great performance cars from their precursors in the 1950s through the seminal appearance of the Pontiac GTO in 1964 and then year by year to the end in the 1970s Approachable and nontechnical yet deeply informative it puts the bygone muscle car in its cultural and aesthetic contexts describes developments in styling performance and marketing and revels in the joys of

cars available Convertibles represent the exact opposite of that description so it's amazing that these drop tops ever emerged amid the circle of full throttle dragsters While typical convertible drivers cruised around listening to the latest Lovin Spoonful release in the eight track tape deck these muscle car convertibles were equipped for rock n roll speed These topless muscle cars are so rare because few people had the dedication or money to buy a vehicle this impractical They're valuable because they represent the absolute extreme of the entire muscle car genre All the cars in Wide Open Muscle are shot in similar fashion studio style with a black background using a process known as light painting It is the ultimate portrayal of the ultimate muscle cars
