Wathall,2016-01-14 Give math students the connections between what they learn and how they do math and suddenly math
makes sense If your secondary school students are fearful of or frustrated by math it s time for a new approach When you
teach concepts rather than rote processes you help students discover their own natural mathematical abilities This book is a
road map to retooling how you teach math in a deep clear and meaningful way to help students achieve higher order thinking
skills Jennifer Wathall shows you how to plan units engage students assess understanding incorporate technology and there s
even a companion website with additional resources
