Le Testament Français Sceptre S English Edition:

Europe Old and New Ray Taras, 2009 Is Europe indeed uniting or instead falling apart as a result of anti immigrant prejudices a massive Islamic influx and ancient intra European hatreds This innovative and engaging book explores the sources of Europe s culture based divide arguing that the idea of two Europes is grounded both in reality and myth The accession process that brought a dozen new members into the European Union after 2004 has highlighted the persisting gulf between old and new Europe despite the many physical barriers that have crumbled Ray Taras examines the treaties political rhetoric citizen attitudes and literary narratives of belonging and separation that both bind and fray the fabric of Europe Throughout this interdisciplinary work provides a comprehensive hard hitting and unabashed review of how enlarged Europe embraces contrasting understandings of its political home

Le Testament Français - Sceptre 21S Andreï Makine, 2006-12-28 On the edge of the Siberian steppes a young boy grows up listening to his French grandmother s stories of France just before the Great War a nostalgic portrait of a vanished world but a bewitching one during the Soviet regime Torn between two cultures he eventually leaves after the fall of the Berlin Wall for Paris

World War II in Andreï Makine's Historiographic Metafiction Helena Duffy, 2018-04-17 Can it be ever possible to write about war in a work of fiction asks a protagonist of one of Makine s strongly metafictional and intensely historical novels Helena Duffy s World War II in Andre Makine s Historiographic Metafiction redirects this question at the Franco Russian author s fiction itself by investigating its portrayal of Soviet involvement in the struggle against Hitler To write back into the history of the Great Fatherland War its unmourned victims invalids Jews POWs women or starving Leningraders is the self acknowledged ambition of a novelist committed to the postmodern empowerment of those hitherto silenced by dominant historiographies Whether Makine succeeds at giving voice to those whose suffering jarred with the triumphalist narrative of the war concocted by Soviet authorities is the central concern of Duffy s book
