

Foreword

WELCOME

We welcome you to the growing group of discerning people who own and drive Ford-built vehicles. The Ford Motor Companies — U.S. and Canada — take great pride in the long tradition of quality products and superior values that the Ford name represents.

SERVICE ASSISTANCE

Your dealer is vitally interested in your complete satisfaction with the vehicle you purchased from him. He is anxious to help you with all of your maintenance and service needs.

To assist dealers in this effort, Ford Motor Companies have established District Offices throughout the United States and Canada. Should you feel that you require service assistance beyond that which your dealer is providing, the Ford District Office in your area will be pleased to work with you and your dealer. There is more about the function of the District Offices on page 71. These Offices are listed on page 71, 72 and 73 with address, telephone number and district area.

WARRANTIES

The Warranties covering this vehicle are stated in detail in the Warranty Facts Booklet and the Emissions Systems Warranty and Maintenance Schedules Booklet. Read these booklets carefully — they state in precise terms everything that is covered by the Warranties.
