

"Paul McFedries shows the typical process of creating databases in favor of a no-nonsense approach to building the queries, forms, and reports you need to make your business work...this book can be indispensable when you start bolting the database together."

—Arvin Meyer, Microsoft Access MVP

"This book is written in a very clear and concise style. Paul McFedries provides the reader with relevant practical examples throughout the text. I would highly recommend this book to anyone responsible for building Access queries, forms, and reports."
