Eighteen Wheels North to Alaska Cliff Bishop, 2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done These pioneer drivers never conquered or tamed Alaska's roads and weather but they learned to operate on the back trails and paths always making their way to the trip's end In spite of all the challenges they never quit The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs and comes up short again and again because there is no effort without error or shortcoming but who knows the great enthusiasms the great devotions who spends himself for a worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least he fails while daring greatly so that high place shall never be with those cold and timid souls who knew neither victory nor defeat Eighteen Wheels North to Alaska A History of Trucking in Alaska is the story of Alaskan drivers who guided coaxed pushed pulled plowed and somehow made it to the end of the road and beyond over high mountain passes whiteout conditions seventy below zero temperature through mud muck and tundra terrain even onto the Arctic Ocean ice beyond the shore
