Common-Sense Business Theodore Roosevelt Malloch, Whitney MacMillan, 2017-10-17 Has the potential to transform how all companies are run Nothing could be more valuable Mark Drewell CEO Globally Responsible Leadership Initiative GRLI From two of the world's most successful business leaders comes Common Sense Business an accessible actionable guide to better leadership increased profits and a more sustainable economic model predicated on prudence and socially conscious business Common sense and prudence have long been among the guiding tenets of society but in today's economy they have been completely abandoned in the interest of blindly maximizing profits Common Sense Business shows that this current economic model is both detrimental and unsustainable and that we must transform the global economy along the lines of common sense toward the common good Ted Malloch a thought leader and policy influencer in global economic strategy and Whitney MacMillan the former chairman and CEO of the world's largest private corporation draw on recent research history's greatest minds and their own successes to explain that ethically driven business is both a moral and financial necessity Inspired by Thomas Paine's Common Sense this work explains to readers in all walks of life that ethically driven business will lead to better long term profits larger customer bases and more positive customer relations and a holistically improved business This book is a must read for business owners entrepreneurs students and businessmen and women in all sectors of the economy

An Interpretive Guide to Operatic Arias Martial Singher, Eta Singher, 1983 A premier singer and master teacher here tells other singers how to get the most from 151 famous arias selected for their popularity or their greatness from 66 operas ranging in time and style from Christopher Gluck to Carlisle Floyd from Mozart to Menotti The most memorable thrills in an opera singer's life according to the author's Introduction may easily derive from the great arias in his or her repertoire This book continues the work Martial Singher has done in performances in concerts and in master classes and lessons by drawing attention not only to precise features of text notes and markings but also to psychological motivations and emotional impulses to laughter and tears to technical skills to strokes of genius and even here and there to variations from the original works that have proved to be fortunate For each aria the author gives the dramatic and musical context advice about interpretation and the lyric with the original language if it is not English and an idiomatic American English translation in parallel columns The major operatic traditions French German Italian Russian and American are represented as are the major voice types soprano mezzo soprano tenor baritone bass baritone and bass The dramatic context is not a mere summary of the plot but is a penetrating and often witty personality sketch of an operatic character in the midst of a situation The musical context is presented with the dramatic situation in a cleverly integrated way Suggestions about interpretation often illustrated with musical notation and phonetic symbols are interspersed among the author's explication of the music and the action An overview of Martial Singher's approach based on fifty years of experience on stage

in a hundred roles and in class at four leading conservatories is presented in his Introduction As the reader approaches each opera discussed in this book he or she experiences the feeling of participation in a rehearsal on stage under an urbane though demanding coach and director The Interpretive Guide will be of value to professional singers as a source of reference or renewed inspiration and a memory refresher to coaches for checking and broadening personal impressions to young singers and students for learning to teachers who have enjoyed less than a half century of experience and to opera broadcast listeners and telecast viewers who want to understand what goes into the sounds and sights that delight them **Canadian**
