Rereading Jack London Leonard Cassuto, Jeanne Campbell Reesman, 1996 Jack London has long been recognized as one of the most colorful figures in American literature He is America's most widely translated author into more than eighty languages and although his works have been neglected until recently by academic critics in the United States he is finally winning recognition as a major figure in American literary history The breadth and depth of new critical study of London's work in recent decades attest to his newfound respectability London criticism has moved beyond a traditional concerns of realism and naturalism as well as beyond the timeworn biographical focus to engage such theoretical approaches as race gender class post structuralism and new historicism The range and intellectual energy of the essays collected here

give the reader a new sense of London's richness and variety especially his treatment of diverse cultures Having in the past focused more on London's personal world we are now afforded an opportunity to look more closely at his art and the numerous worlds it uncovers God: An Anatomy Francesca Stavrakopoulou, 2022-01-25 An astonishing and revelatory history that re-presents God as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the fantastic and monstrous A rollicking journey through every aspect of Yahweh's body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author's close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before *Traits of Travel* Thomas Colley Grattan, 1829 **An Informal Boston Education** Michael A. Connelly, 2007-12-28 CPA Kevin Rocky Collins needs his formidable sense of humor more than ever He's still reeling from the sudden death of his charismatic but demanding and disappointed father and his caustic wit and quirky Boston Irish personality have cost him his job They've also sparked dangerous run-ins with a huge Mafia hit man and a biker strongman and fostered a decided lack of way with women Fortunately Rocky's old friends from the neighborhood a power lifting bouncer an alcoholic Vietnam vet and aspiring author a struggling gym owner a philandering salesman a disappointed ex professional baseball player and one pain in the butt got it together business superstar are as supportive as always as Rocky gains rejuvenation in the gym on the ball field and at the bar But he finds his greatest comfort at a near palatial summer house on Cape Cod where there's a wild summer long party going on To find his own happiness Rocky knows that he needs maturity empathy and perspective Throw in a new job and a good woman and he'll be all set But getting to that point might be the most difficult challenge of all An Informal Boston Education humorously explores the Boston singles scene in the seventies male bonding the difficult relationship between fathers and sons and life's endless trade offs and transitions
