[Lessons in Submission: The Discipline Book \(Gay, Discipline, Public Spanking\)](#) S M Partlowe, 2014-09-26 Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom bdsm play spanking public discipline humiliation submissiveness and dominance All characters are 18 or older Adam s first hours in his new mistress s house have been intense ones but he knows they have only scratched the surface Before he has done little more than catch his breath it s time to meet the other submissives in the mistress s household and learn just exactly what he has gotten himself into Far from being allowed to wade in slowly Adam s initiation into this tight little community will mean getting tossed directly into the center of its many different flavors of discipline and power play By the time his first morning has come to a close he will have a lot more to think about than why there isn t a number on the mailbox Excerpt Yes Mistress several of them agreed and the others nodded obediently His shorter time here makes it all the more important that his experience is a positive one Again they agreed smiles breaking onto some of their faces I could feel excitement rising in the room There was a slight teasing note in Mistress s voice It was as though she and the men at the table were in on an inside joke as though they all knew what was coming and Mistress was being deliberately slow in getting to it tantalizing them under the guise of introducing me Slowly Mistress strode to the head of the table a hand stroking her chin and that infectiously mischievous smile on her inviting lips For those of you who haven t heard she went on Adam and I encountered each other at his audition for the Tunisia Society Isn t that right Yes Mistress I agreed She nodded her hands splayed lazily on the wooden table and her eyes closed Quite a performance A slight rustling passed through his

audience When she reopened her eyes they fell as though by coincidence upon a small spiral bound notebook lying in the center of the table which I had not noticed And what s that The Log she said as though surprised She reached out one hand and drew it towards her A collective shiver along the table confirmed that whatever had everyone so on edge had a great deal to do with that unremarkable little book She licked a finger drew it open and flicked through several pages My goodness she said Look at this Would you look at this Four days I m away and you boys acquire a rap sheet like this She tutted softly turning a page back and then forward again Now I understand the nervousness We have some serious accounts that need settling don t we The sighs and shivering had stopped She now commanded the room in utter silence Who was my record keeper this week she asked Me Mistress a blond man seated two down from the end answered him He had a lean muscularity and a well defined face that was fixed in an expression of nervous expectation a strange mixture of dread and excitement Even sitting down he was two inches taller than the men to either side of him and his pale skin was flushed Mistress shook her head and tutted again Hayden Hayden Hayden All this happens when I leave you in charge Hayden seemed to be holding his breath Mistress looked at his paralyzed blushing form That s ten spans isn t it For a house poorly run Around the table the men nodded in confirmation Would you come up here please where everyone can see you Hayden rose carefully from his chair and made his way around the table Mistress took her own chair and turned it around so that the back of it faced the room Hayden stopped beside her and stood waiting with nervous hands clasped over his bare stomach Apologize to everybody please They are going to be punished because you couldn t keep them in line If you had done your job none of this would be necessary

Over Her Knee: The Humiliating Punishment He Wasn't Supposed to Enjoy (Femdom, Discipline, Spanking)

Nina Nauheim,2014-06-27 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking humiliation discipline punishment submission and dominance All characters are 18 or older Jason s young and beautiful boss Joanna Roth has always taken a special interest in him ever since he first came to work for her at the age of sixteen After Jason loses the order form of a very important client she punishes him as she often has before with a

sound spanking But on this occasion he settles onto Joanna s lap to take the punishment under her strict hands only to find his long secret feelings for her pushed out into the open by the unmistakable throes of orgasm When questioned Jason is forced to admit that he has always been hopelessly aroused by the discipline his boss administers Now that all feelings are out in the open will this day prove a nightmare or fulfill the fantasy Jason has never allowed himself to admit he wants

Excerpt Stand up Jason she said quietly Shakily and with her help I lifted myself off her legs and started to stand I wobbled for a moment and then found my balance and she took her steadying hands away I knew it was too late to conceal what had happened so I did not try My slowly softening cock stuck out in front of me as I stood upright My eyes stayed locked on the ground I couldn t bear to look at her That s never happened before she said her tone deceptively mild My cheeks burned hotter but I could not think of anything to say Would you care to explain it My eyes locked on the floor and my face growing redder still I shook my head I thought I was joking when I said you enjoyed being disciplined she said But it s true isn t it I bit my lip trying to tell myself this was all a bad dream and what had just happened had not actually happened All this time I thought I was punishing you when you got out of line but you ve been enjoying it Answer me I drew in a shuddering breath and managed to look at her shoes Yes ma am I said I physically recoiled as the word ma am emerged from my mouth again I m sorry I blurted close to tears I never I mean it s just I didn t mean to I m sorry I don t try to make you angry with me or anything It s just the way it affects me The way being around you I clamped a hand over my mouth horrified that I had said too much Even without glancing up I could feel the way she was looking at me I stared at the floor and tried to ignore the still prominent form of my cock as it shrank embarrassingly slowly in my soiled underwear Another hot wave of humiliation rose in me at the sight of myself and unwedged my underwear and pulled up my pants Perhaps this explains a few things she said Maybe I should not be so surprised Maybe it s my fault that I did not see it before I dared a shy glance up at her to see how mad she looked To my relief her expression was thoughtful devoid than the disgust or betrayal I had dreaded seeing there Well clearly Jason the arrangement we have been operating under cannot continue can it You ve given me a lot to think about Nervously I straightened my pants again feeling the squelch of the come still in my underwear If only she would say something definite something to indicate how she felt about this I could not deny that a small part of me imagined her being maybe a little intrigued But that was just a childish fantasy too much to hope for You ll need to go home to change and I think it would be best if you took the afternoon off she said after a moment But it s clear we need to talk about this when there isn t work to be done Come by my apartment would you after I ve locked up for the night I bobbed and nodded Yes m I shook my head as though to clear it and began to move towards the door And Jason she said Yes You haven t lost any more orders you might want to tell me about have you I shook my head even my ears burning at this final jab and left the room
