

Guidance AB1.1.1 Inheritance traffic lights

Teaching notes

This activity is designed to review KS3 inheritance concepts and provide information on students' starting points for this module.

Give each student their cards.

- Red or × means FALSE.
- Green or ✓ means TRUE.
- Yellow or ? means I'M NOT SURE.

The game follows this sequence:

- Read the question.
- Allow a short period of time for students to consider their answer.
- Count '1, 2, 3, show your cards!'
- Students all hold up one of their cards at the same time.

The questions are available on Activity sheet AB1.1.1 if you wish to use them in a different type of activity.

Requirements (per student)

- Activity sheet AB1.1.1 (optional)
- small pieces of card (x3) per student (either red, yellow, green or ×, ✓, ?)

Answers to questions

- Sexual reproduction needs a male and a female. T
- Only animals use sexual reproduction. F
- Characteristics are passed on from parents to offspring in sexual reproduction. T
- In humans the male sex cells are called sperm and the female sex cells are called ova (or egg cells). T
- In some people there is an extra type of sex cell that produces identical twins. F
- In humans the sperm cell has a tail so it can move towards the ovum (egg cell). T
- Fertilisation happens when a male sex cell and a female sex cell join together. T
- The instructions to make a new person are in a fertilised egg cell nucleus. T
- These instructions are called genes. T
- All of a person's characteristics are controlled by their genes. F
- Your blood group depends on what country you grow up in. F
- If you dye your hair red for more than two years, it will make you have red-haired children. F

Gateway Workbook Answer Unit 8

Michal Rosen-Zvi

Gateway Workbook Answer Unit 8:

The Gateway to Understanding: Electrons to Waves and Beyond Workbook Matthew M. Radmanesh, 2005-05-24 324 Pages Learning the subject of electricity and electronics through the study of this workbook is tremendously more beneficial than simply purchasing and reading the book on your own The workbook provides many advantages including a A step by step approach presenting a series of lessons which are bite sized pieces of information taken from the book b The lessons act like a trail or a road to knowledge with a definite beginning and a finite end This prevents possible frustration of the reader from aimlessly reading the book or getting overwhelmed by the enormity of the subject c Solutions to many of the end of chapter quizzes provide an excellent check out to the readers comprehension of the material d A streamlined approach to learning electricity electronics which takes irrelevant materials off the direct path of achieving the final goal of total comprehension e Authors numerous comments exercises and summary adds clarity and understanding and brings simplification to a very complicated subject Resources in Education , 1994 **The Gateway to Understanding** Matthew Radmanesh, 2005-05 MEET BENJAMIN FRANKLIN FRIDDLE The hero of this narrative is a precocious schoolboy who was given a dictionary by his parents when he was very young In spite of learning the meaning of many new words he and Jamie conspired to speak like the young man they idolized who spoke with very bad grammar This gradually became harder but they both tried very hard not to sound like a girl Frankie is persuaded to adopt a different imperative through his teacher who had more understanding of the boys than they could have supposed In 1987 the book was written to amuse my mother who seemed to enjoy hearing each episode as it developed The narrative was rejected by several publishers so I recorded it on an audio tape which I gave to my grandchildren And I made a hard copy which stayed on a shelf until after I received word from 1stBooks The interest of my grandchildren interested me Several parts were extremely funny when read aloud to them Although it is fiction it might be useful in persuading readers that the uses of good grammar might be necessary for success in modern society Recent gaps in SAT scores could easily be society s heritage from an erroneous assumption No language is likely to equal proper English in the American job market This book may help readers to realize that bad grammar could limit the perception of academic perfectionists who happen to hear job applicants speak Please let me know whether I should develop another thing I regard as fact true wisdom is often overlooked in persons who differ from ourselves
