**Your Life User Manual** Evan L. Wride, 2018-04-30 This is a contemporary, practical, and relevant book about how to understand and apply the Bible in your everyday life. It is a superb book filled with biblically based ways to achieve a significantly improved and healthier life. It is intentionally written using ordinary, everyday language, avoiding dogmatic, confusing, and religious jargon. The book is not just for Christians but anyone who desires to live a better life. This is not a book about religion; it is about how to effectively use the Bible to live a successful life. Evan Wride is an ordinary guy who has read the Bible and uses it to manage his life. He is passionate, relentlessly practical, and writes as if he is talking with a friend. His words, thoughts, and perspectives are modern, day-to-day, heartfelt, and action-oriented. Your Life User Manual is a real-world look at the main issues we face as humans and specific ways the Bible answers them. The topics are a litany of our everyday concerns: setting priorities, plans, finances, time management, mental and physical health, addiction, love, marriage, children, dating, relationships, sex, career, co-workers, making good choices, our reason for being here, and our individual uniqueness. This is not a counseling book; it is a book of God's time-proven direction for how to live productive lives. Too many of us rely on ourselves, others, and society for wisdom, and the results are less than satisfactory. Going to the source for answers provides you with knowledge, wisdom, and purpose for your one and only life. We have all contemplated that there must be more to life in order to achieve the meaning and significance we are all searching for. This book will specifically direct you in how to learn to do life according to the Bible, which will transform your life so you can become all you were intended to be. You will discover how to live your best life.
