Kemabia, 2015-01-21 Justin Delacroix is a high school boy with a saucy personality who only has eyes for Solene Greaves the rebellious girl next door Now he's out to make her his girlfriend Unbeknownst to him however his path will intersect and collide with the paths of many characters who share one thing in common An invisible force is subtly moving them towards tragedy A force one might even call fate or destiny

Good Times/bad Times James Kirkwood, 1968 Good Times Bad Times is the story of an eighteen year old boy groping to find himself battling to protect a profound friendship and manfully enduring torment until he can endure it no longer Peter Kilburn son of a down on his luck Hollywood actor has been sent East to take his senior year at Gilford a once fashionable but now decidedly second rate New England prep school Lonely among a pack of alien schoolboys but proud defiant and totally sympathetic Peter vows to prove his worth to Gilford's forbidding headmaster who compulsively seeks to restore to the school the honor that was so badly tarnished by scandal only a few years earlier In Jordan Legier a frail but charismatic young man wise beyond his years Peter finds a warm friend Witty knowing and generous Jordan shares with Peter a series of unforgettable good times on and off the campus But the good times are only prelude to a chain of increasingly menacing and finally tragic confrontations with their iron willed headmaster who sees in the boys relationship a perversion that in fact lingers elsewhere on the Gilford campus dust jacket cover
