Scare Tactics: Video Games and the Real-Life Horror Stories That Influenced Them Nathaniel Hohl, 2019-10-31

For fans of the horror video game genre certain names are as hallowed as holy scripture Castlevania Silent Hill Fatal Frame these and other properties both big and small have been giving gamers goosebumps for decades Bringing any successful horror game property to life requires no small amount of originality and creativity but in a surprising number of cases it also requires a liberal application of cold hard truth In Scare Tactics author Nathaniel Hohl takes readers on a journey through the annals of horror game history focusing on eleven specific horror game properties In every case the game or series being discussed has some connection to a real life element or event Whether it s the perpetually burning Pennsylvania town that helped shape the Silent Hill movie adaptation the scrappy indie title that harkens back to the Salem Witch Trials or the doomed video game project that would have cast Jack the Ripper as an unsung hero real life history has seeped into the horror game genre s bones like a specter of icy death Through a combination of historical research and narrative recounting Scare Tactics paints a vivid picture of how these horror properties came to be and the role real life history took in bringing them to life Horror fans historians and video game enthusiasts alike will enjoy reading about the subtle yet tangible connections that make these iconic horror works unique and allow them to be equal parts fascinating and terrifying

Doctor of Pipes Ralph William Larsen, 2013-08-15 Ralph William Larsen would have you think of his latest effort DOCTOR OF PIPES as you would a cracking good piece of hard candy a Tootsie Pop of a book its chewy center being the dog doody dull subject of briar pipe smoking But as he asserts in his introduction to the very same book yes there are pipes here lots of pipes But for those who could care less about the stinky old habit of briar pipe smoking yes again there is lots more as well As the author himself boldly asserts when he s writing well and we all must hope he is writing well here the discussion of pipes is for him but a safe harbor from which to sail forth toward some greater understandings Within the teeming pages of DOCTOR OF PIPES you will encounter Dud the stoner brother in law who good naturedly drills holes in other peoples pipes Edgar Gower the compassionate undertaker who goes the extra mile and places smoking pipes in the cold dead hands of corpses Karl the Buddha like German POW who sits out WWII sporting soccer shorts and munching breakfast crumpets in four star English hotels For exotic flavoring there are even some up to no good Russian Indian chiefs and the violent death by briar of the obnoxious Safari Man And as the cherry on the sundae you ll be treated to a whole host of worthless tidbits about how to smoke a pipe from a man who professes to know nothing about the subject And hold onto your hats because as if all that were not enough there s even a series of priceless illustrations by Mr Lizard Michael Jodry who has finally consented to play Ralph Steadman to the Ironist s Hunter S Thompson It almost sounds too good to be true It s another verbal pinata a grand mishmash of high holy Ironist mirth *American Horrors* Gregory Albert Waller, 1987 Since the release of Rosemary s Baby in 1968 the American horror film has become one of the most diverse commercially successful widely discussed and
