My Boss Is an Otter Hugo Bainbridge, Prepare yourself dear reader for a plunge into the deep end of corporate absurdity This is not your typical tale of ambition and boardroom battles this is a story about an otter A very important otter A CEO otter in fact Eric our protagonist finds himself adrift in a sea of unexpected chaos when his seemingly ordinary tech company TechCorp appoints Kevin a charismatic and amphibious otter to the top spot What ensues is a hilarious and surprisingly insightful exploration of corporate culture the unexpected brilliance of unconventional leadership and the remarkable ability of humans to adapt or at least try to adapt to the completely illogical Forget everything you think you know about office politics in this world backstabbing takes on a whole new meaning Team building exercises become aquatic nightmares and communication involves a lot more sniffing and shell sorting than PowerPoint presentations Through witty dialogue increasingly ludicrous situations and a cast of wonderfully eccentric characters we ll delve into Eric s journey of adjusting to his new reality wrestling with the complexities of otter centric management and discovering the unexpected wisdom found in the most unusual of places Buckle up because this ride is going to be delightfully slippery surprisingly insightful and utterly unforgettable Get ready to meet Kevin and prepare to question everything you thought you knew about leadership success and the true meaning of a well executed clam based company picnic

Glasgow's Black Heart Douglas Skelton,2011-03-11 Glasgow is the largest city in Scotland It is a city of culture of impressive architecture enterprise and endeavour and is one of warm hearted generous people But it also has a dark side Beneath the busy streets the Victorian sandstone and urban trendiness lies a black heart that beats in rhythm with the roar

of the traffic and the echo of footsteps on concrete It is a black heart pumped by greed and lust violence and murder And it has beaten since the city first sprang up on that dear green place on the banks of the Molendinar Burn This is the epic story of Glasgow crime Beginning in 1624 when the Tolbooth was built at Glasgow Cross to house the courts and town jail author Douglas Skelton covers four centuries of Glasgow s hidden history tracing the formation of the first paid police force in Britain the Black Assizes of the circuit court and the formation of the city s own High Court of Justiciary Here you will find the pimps and pushers gangsters and gangleaders rioters and robbers who flooded the veins of the city Famous felons rub shoulders with their less notorious but equally vicious counterparts Here also are the thief takers cops lawyers and judges who tried to stem the gushing flow some with more success than others These stories may not be what the City Fathers would like to see on Glasgow s CV but they are as much a part of its traditions and its legacy as the fish the bell and the tree
