Activists in Europe Bert Klandermans, Nonna Mayer, 2006 Since the 1980s one of the main political changes in Western Europe has been the electoral upsurge of extreme right wing parties However while the electoral support of these movements has been studied extensively their membership has largely been ignored This book examines who joins the extreme right and why Drawing upon extensive research and featuring contributions from distinguished social psychologists and political scientists this book provides the most detailed comparative study yet published of the psychology of right wing extremist activists Countries discussed include Germany The Netherlands Italy Belgium and France

Haiti Elizabeth Abbott, 2011-07-21 Written by a journalist and family insider the most intimate and revealing examination to date of the Duvaliers and their Haitian legacy Publishers Weekly Recounts the depredations and corruption of the Duvalier regime in Haiti from the election of Papa Duvalier in 1957 to the exile of his son Jean Claude Written by the senior editor of the Haiti Times and the sister in law of Baby Doc s successor this account details the excesses of the dictatorship and the grim state in which the Duvaliers left the country when the regime was finally overthrown History with a human face effective moving written with surprising and admirable restraint Kirkus Reviews

The Publishers' Trade List Annual ,1985 **Monthly Catalog of United States Government Publications** ,1988 **The Blitzkrieg Legend** Karl-Heinz Frieser, 2013-04-11 Here for the first time in English is an illuminating new German perspective on the decisive Blitzkrieg campaign of 1940 Karl Heinz Frieser s account provides the definitive explanation for Germany s startling success and the equally surprising and

rapid military collapse of France and Britain on the European continent In a little over a month Germany decisively defeated the Allies in battle a task that had not been achieved in four years of brutal fighting during World War I First published in 1995 as the official German history of the 1940 campaign in the west the book goes beyond standard explanations to show that German victory was not inevitable and French defeat was not preordained Contrary to the usual accounts of the campaign Frieser illustrates that the military systems of both Germany and France were solid and that their campaign planning was sound The key to victory or defeat he argues was the execution of operational plans both preplanned and ad hoc amid the eternal Clausewitzian combat factors of friction and the fog of war Frieser shows why on the eve of the campaign the British and French leaders had good cause to be confident and why many German generals were understandably concerned that disaster was looming for them This study explodes many of the myths concerning German Blitzkrieg warfare and the planning for the 1940 campaign A groundbreaking new interpretation of a topic that has long interested students of military history it is being published in cooperation with the Association of the U S Army Filippo Di Ser Brunellesco Leader Scott,1901 *Amílcar Cabral* Peter Karibe Mendy,2019-06-11 Am lcar Cabral was an agronomist who led an armed struggle that ended Portuguese colonialism in Guinea Bissau and Cabo Verde The uprising contributed significantly to the collapse of a fascist regime in Lisbon and the dismantlement of Portugal s empire in Africa Assassinated by a close associate with the deep complicity of the Portuguese colonial authorities Cabral not only led one of Africa s most successful liberation movements but was the voice and face of the anticolonial wars against Portugal A brilliant military strategist and astute diplomat Cabral was an original thinker who wrote innovative and inspirational essays that still resonate today His charismatic and visionary leadership his active pan Africanist solidarity and internationalist commitment to every just cause in the world remain relevant to contemporary struggles for emancipation and self determination Peter Karibe Mendy s compact and accessible biography is an ideal introduction to his life and legacy **Canadian Who's Who 2003** Elizabeth Lumley,2003-03 Now in its 93rd year of publication this standard Canadian reference source contains comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity memberships creative works honours and awards and full addresses Of use to researchers students media business government and schools it is a useful source of general knowledge **Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c** ,1858 Nature Sir Norman Lockyer,1917 **Guide to Microforms in Print** ,2002 Bulletin of the Public Library of the City of Boston Boston Public Library,1911 **Masterpieces from the Department of Islamic Art in the Metropolitan Museum of Art** Metropolitan Museum of Art (New York, N.Y.),Maryam Ekhtiar,2011 This book explores
