Congratulations on your purchase of a new LifeSource Heart Rate Monitor. The LifeSource Heart Rate Monitor is a high-technology wireless device designed to instantaneously monitor your heart rate with 99% accuracy. From beginning athletes to Olympic athletes, the heart related patients, or anyone who wants to lose weight, the heart rate monitor is an effective way to monitor and improve your workout intensity and quality. If your heart rate is too high, it means you are overloading your heart. If your heart rate is too low, then you are not getting the full benefits of your exercise. Therefore, it is important that you keep your heart rate within your ideal zone. With the LifeSource Heart Rate Monitor, you will improve your performance by exercising smarter rather than longer or harder. For heart related patients, you can exercise within the limits set by your doctor, and feel more secure.

LifeSource has been manufacturing quality healthcare products for over 30 years. We are committed to providing you and your family with monitoring devices that provide the utmost in accuracy and convenience. LifeSource – your source for a lifetime of health.
