

PRAYER FOR FLAG RAISING CEREMONY

January 20, 2020

Legislative Department

Our Gracious Heavenly Father. We praise and thank You for calling us to be Your people. We thank You for the times of triumph despite the ongoing challenges, knowing You have been with us always.

Have mercy for our failures, Lord, and make us into a people who will not forget You. Give us the grace to grow in love, service and obedience to Your laws.

We pray for our province - strengthen and defend us in our daily battles. Help us to fight for our province by being good citizens and being part of the solution. Keep safe our families and the Godly values we hold dear.

We pray for our people - that we may grow united in love and appreciation. May we extend a hand to each other in selfless giving even when we feel we are the ones in need.

We pray for our leaders - give them Your heart and wisdom to govern humbly and justly. Make them worthy examples of righteousness for the whole citizenry to emulate.

We pray that You bless and prosper the fruits of our land and the works of our hands, that all of these may benefit your people in the province.

We claim Your victory in Our land and declare You as God of our province for blessed is the one who calls upon Your name. All of these things we ask, In the mighty name of Your Son, Jesus Christ. Amen.

Flag Ceremony Prayers:

School Prayers United States. Congress. House. Committee on the Judiciary, 1964 *The Elusiveness of Peace in a Suspect Global System* Tatah Mentan, 2024-11-29 A convenient veil is drawn over the many issues facing the majority of citizens on a daily basis as a result of the so called free market One is left with an impression that we live in a glorious utopia in which the crusaders of international capitalism continue in their quest to make life peaceful and better for all of humanity It is also a world which has been at peace for 70 years with no ideological or economic conflict and in which all of humanity live their lives in harmony benefiting from the fruits of globalization This claim is nothing less than the rearrangement of the deck chairs on the Titanic where the Titanic is actually the Global Economic Financial System GE FS storming its way through all countries and causing untold human suffering engineered by global pathocrats In this book Professor Tatah Mentan dissects human suffering from multidimensional crises such as terrorism population explosion denial of human rights economic inequality racial discrimination ideological extremism religious intolerance social injustice ecological imbalance consumerism oppression of the weak and so on He then calls for a radical global ethics that expects us to realize our roles and duties regarding global peace It includes the role and ideals of educationalists the duties of scientists philosophers and thinkers the inculcation of human values such as nonviolence and love **Winds of Spirit** Renee Baribeau, 2018-02-06 A practical guide to connect to powerful wind energies that navigate us toward authentic joy power and purpose In this book you ll explore the rich mythology and cultural significance of wind and discover a powerful system to utilize the subtle healing energies in your life Winds of Spirit will teach you how to connect with your true inner self use your body as a compass and receive life changing messages from nature Based on an ancient sacred technique used by farmers shamans and sailors this system will show you how to navigate your personal path providing insight into how to manage the wind patterns and shifting conditions affecting you You will also learn how to invoke wind deities gods and goddesses from around the world and the cardinal winds from the four quadrants of the sky each of which relate to the inner landscape of your life mind emotions body and spirit By working with the omnipresent winds in your life you can restore harmony and balance heal the body and inspire creativity Experiential practices include wind breath wind bath wind knots and more **Subtle Activism** David Nicol, 2015-08-24 Explores whether consciousness based practices like meditation and prayer can contribute to social change Can awakened consciousness contribute to social change and if so how David Nicol introduces the concept of subtle activism to describe the use of consciousness based practices like meditation and prayer to support collective transformation such as global meditation directed toward peaceful resolution of a conflict Subtle activism represents a bridge between the consciousness movement and the movements for peace environmental sustainability and social justice It is not a substitute for physical action but rather a potentially crucial component of a more integrated approach to social change Although ancient lore is rife with tales of shamans and adepts intervening on spiritual levels for the benefit of

humanity this book is the first comprehensive treatment of this topic Nicol grounds his consideration in the available scientific research and in dialogue with a broad range of thinkers in the fields of consciousness studies transpersonal theory and New Paradigm thought Many good books are published each year but important books are harder to come by One of the marks of a truly important book is that it challenges our deeply held convictions about what is real and what is possible in the world It opens new intellectual horizons by showing us previously hidden connections David Nicol s *Subtle Activism* is an important book a very important book from the Foreword by Christopher M Bache [Healing in Indian Country](#) United States.
