a January only to fall hopelessly away when tedious books like Numbers Leviticus or Deuteronomy would sideline me in the first quarter Then he challenged me in a very big way He had one of the first online ministries called The Ranch at theranch.org I read about it in USA Today and through a set of rather unusual circumstances we became connected as good friends He suggested I invite readers to follow along with me and that 1st day of the year I introduced a Facebook page with that very purpose He gave me an invitation to include my plan in one of his online sermons and put out an open invitation to whoever might be inclined to join me About 450 people signed up and that set me on course with a lot of accountability partners with whom I would share a devotional each day At the end of that year I could not believe I d finally accomplished this challenge of reading Genesis through Revelation So what next just be done with it I decided to do it again the next year and the next and the next I believe God has a sense of humor and turned me into the Forrest Gump of Bible reading Remember how he kept running back and forth across the country I mentioned we started with about 450 in our Facebook group the first year and now there are over 1500 This year I decided to put the devotionals in book form so readers would have the option to join me online or by paperback Regardless of your own motivation to read the Bible I sure would be privileged to walk by your side The goal is still the same as when we started to grow in our faith by reading through as much of the Bible as we can Hopefully my light commentaries can give you that gentle nudge that helps you also do what I felt was impossible to read the Bible in its entirety
