Frank A, 2018-12-07 This comprehensive field guide should be on your packing list for your Kilimanjaro climb Written by Tusker Trail owners and Kilimanjaro climbing guides Eddie and Amy Frank along with botanist Thomas R. Egg the Field Guide opens up a whole new dimension to Kilimanjaro's magical landscape Kilimanjaro Millennial Style Rodney Parks, 2022-01-28 As someone with no interest in adventure travel I was surprised to find that I couldn't put this book down The narrative is absorbing and engaging the story is told with such authenticity that it captured my imagination the way a good novel would leaving me eager to follow the students journey and find out what would happen next Despite being written by a variety of authors the voice seemed very consistent and the book transitioned smoothly from one chapter to the next I was completely caught up in the students thoughts and emotions I felt as though I was walking alongside them as they faced each challenge getting to know them and cheering them on to achieve their goal I felt fortunate to benefit from the lessons they learned without having to leave the comfort of my warm safe home I enthusiastically recommend this book to anyone who might be contemplating a similar trip or whose child has proposed such a trip and also to anyone who loves to get lost in a fascinating compelling and well told story Dr Diane Miller Director of Student Academic Services at the University of Georgia Students in Elon University's first adventure based learning course to Tanzania hiked to the top of Mt Kilimanjaro millennial style Then they wrote a book about it The 22 upper level students in the Core Capstone course authored this book in order to share

what they learned from their adventure and provide helpful information for those who follow in their footsteps Most travel adventure books about Kilimanjaro are written by older adults and tend to focus on the individual s peak experience Those reading Kilimanjaro Millennial Style will quickly grasp the different ways young adults perceive their world how their relationships are deepened where they find adventure and what it means to have an authentic experience together As one of the authors wrote I would never want to hike to the top of Kilimanjaro again Not because it wasn t the most amazing experience I have ever had but because it wouldn t be with the people that made my experience so extraordinary

Kilimanjaro Henry Stedman,2003 This new guide is written in the proven Trailblazer style with detailed walking maps showing hiking times points of interest and gradients *The Flora of Kilimanjaro - a Field Guide* E. Frank,2018-12-13 If you re climbing Kilimanjaro this is a must have The comprehensive Field Guide was created by Kilimanjaro guides and owners Eddie and Amy Frank along with botanist Thomas R egg The book opens up a whole new world to you during your climb on Kilimanjaro **Climbing Mount Kilimanjaro** Stephen Carmichael,Susan Stoddard,2002 From the authors own experience comes this highly useful guidebook full of practical advice on how to make it safely to the top of Africa Have you ever dreamed of climbing Mount Kilimanjaro the highest point on the continent of Africa Unlike most of the world s highest mountains this one can be climbed by the average person Carmichael and Stoddard describe the process of planning preparation and execution of their Mount Kilimanjaro adventure The book is intended to be a step by step guide for training making arrangements gearing up and preparing for potential medical problems time differences and language barriers They offer hiking guidelines mental strategies and even photography techniques Their diary of the six day climb gives a vivid description of how they made it up the mountain and back down To order call 800 500 8205 or write MEDI ED Press 5 White Place Bloomington IL 61701 **Kilimanjaro** M.
