*Lad* Albert Payson Terhune, 2012-02 I generally hate clichés like kids of all ages but it just really suits this book I first discovered Albert Payson Terhune and *Lad* in seventh grade much to the chagrin of our school librarian She had to eventually temporarily ban me from checking the book out any further so that other kids could read it In those days I did not realize I was reading about a long dead author and the most famous of his dogs nor did I realize that the stories actually were taking place in the early part of the 20th century None of that mattered to me then or now for the matter I was drawn into the world of *Lad* and Terhune every time I opened those pages Eventually I

managed to read most of his works and came to truly admire Terhune's writing even though I have since read that he considered himself to be a hack. It's now many years later and there is still magic in these books for me. I have several of the books waiting for the day my very young daughters, a two-year-old and a four-year-old, are ready to read books that don't have pictures on every page. In fact, I've got a backlog of books I want to share with them, but I'm willing to bet we start with *Lad*. If your children have any interest in animals in general or dogs in particular, you must get this book and all of Terhune's other works if you can find them for your children. Sure, the language may be a little strange at times, but your child will still love this book all the same.

*Lad* Albert Payson Terhune, 2016-09-26 *Lad A Dog* is a 1919 American novel written by Albert Payson Terhune and published by E. P. Dutton. Composed of twelve short stories first published in magazines, the novel is based on the life of Terhune's real-life rough collie *Lad*. Born in 1902, the real-life *Lad* was an unregistered collie of unknown lineage originally owned by Terhune's father. *Lad*'s death in 1918 was mourned by many of the story's fans, particularly children. Through the stories of *Lad*'s adventures, Terhune expresses his views on parenting, obtaining perfect obedience without force, and the nature and rights of the well-bred Terhune. He began writing the stories in 1915 at the suggestion of his *Red Book Magazine* editor. They gained in popularity, and as Terhune was under contractual obligation to submit something to Doubleday Page, he collected them into novel form. After Doubleday rejected the novel, he solicited other publishers until it was picked up by Dutton. After a slow start, the novel became a best-seller in the adult fiction and children's fiction markets, having been repositioned as a young adult novel by Grosset and Dunlap in the 1960s and 1970s. Selling over one million copies, it is Terhune's best-selling work and the one that propelled him to fame. It has been reprinted over 70 times by Dutton and republished by a variety of publishers since its original release, including at least six international translations.
