Andrea Lepri, 2018-10-02 Leo is a police dog a mongrel with a passion for Looney Tunes He always wanted to have hands in order to manage the remote control of the TV and the refrigerator but when his boss Steve is killed in an ambush his desire becomes a real thing because his hands are the only means that will allow him to unveil the killer and obtain justice From then on he will be involved in a spiral of adventures during which he will borrow the hands of other characters met along a tortuous journey that will bring him from time to time closer to the killer to the finale face to face Leo is an atypical police dog a mongrel with a passion for cartoons Since he was a puppy he always wished having hands he believes that these will make his life easier and more enjoyable His life flows smoothly until his partner Steve an agent of the Task Force is killed in an ambush by a corrupt colleague in an abandoned shed During the ambush the recorder Steve had brought to unveil the killer falls into a crack in the floor Leo knows that that object is very important but he is unable to retrieve it because he has no hands During Steve s funeral Leo recognizes the killer and attacks him to kill him The Commander of the Police Headquarters believes the dog is mad with anger and sorrow so he sends it to the veterinarian so that he can put him down The veterinarian however instead of doing his duty sells him to a laboratory where are doing animal experimentations There Leo befriends with Giotto a chimpanzee who loves to paint and knows how to gesture The two are aware that at the end of the experiments the laboratory director will get rid of all the tests So they design and implement the escape Leo now has the hands of his new friend to retrieve the recorder though to win his reticence he has to tell him a little lie After the daring escape a good dinner and a little binge during which they trust each other the two go to the crime scene Soon after they enter the courtyard however the killer also comes in the company of an accomplice they are also looking for the recorder The killer wounds Leo and retrieves the precious object Giotto scares frightened Leo manages to escape and is picked up by Italo a lousy private investigator while escaping by car the killer sees them and writes down the license plate number Italo takes care of Leo who during the convalescence attempts to blossom the love between him and Stefania his next door neighbor and to befriends with Barbie her dog Barbie first ignores him but when Leo saves her from a Dobermann she falls in love Meanwhile Leo has also to deal with Puffi a very cunning and mischievous Persian cat Just in the middle of a romantic dinner a phone call makes Italo go away for a job interview and Leo goes with him But in reality this is a trap organized by the assassin who has messed with Italo s car brakes The two go off a cliff and Leo wakes up at the hospital where he finds out that his body is dead and that who knows how he s in the body of Italo who has disappeared This new situation frightens him but after he has recovered he immediately finds the positive side now that he is a man he can finally give a good lesson to Puffi and especially he can try to unveil his enemy But being men is not easy and Leo encounters several issues such as the relationship with Stefania who now finds him strange and that with Barbie who has recognized him and accuses him of

treason He also has to learn how to talk and wash dress and go shopping get money and do all that other men do Resigned to stay forever in that situation Leo is pondering on what to do when suddenly the ghost of Italo appears claiming his body Leo tells him how things are and tells him about the corrupt policeman the ambush to Steve and all the rest Italo tells Leo that for a mistake he has ended up in the Translator Eva Melisa Mastroianni PUBLISHER TEKTIME **Spheres of Philosophical**

Shakespeare / Skin Ruben Espinosa, 2024-07-11 This volume offers a comprehensive array of readings of skin in Shakespeare's works a term that embraces the human and animal noun and verb Shakespeare Skin departs from previous studies as it deliberately and often explicitly engages with issues of social and racial justice Each of the chapters interrogates and centres skin in relation to areas of expertise that include performance studies aesthetics animal studies religious studies queer theory Indigenous studies history food studies border studies postcolonial studies Black feminism disease studies and pedagogy By considering contemporary understandings of skin this volume examines how the literature of the early modern past creates paths to constructing racial hierarchies With contributors from the USA UK South Africa India Sri Lanka Singapore and Australia chapters are informed by an array of histories shedding light on how skin was understood in Shakespeare's time and at key moments during the past 400 years in different media and cultures Chapters include considerations of plays such as Titus Andronicus The Tempest and A Midsummer Night's Dream and work by Borderlands Theater Los Colochos and Satyajit Ray among many others For researchers and instructors this book will help to shape teaching and inform research through its modelling of antiracist critical practice Collectively the chapters in this collection allow us to consider how sustained attention to skin via cross historical and innovative approaches can reveal to us the various uses of Shakespeare that shed light on the fraught nature of our interrelatedness They set a path for readers to consider how much skin they have in the game when it comes to challenging structures of racism *The Concept of the Political* Carl Schmitt, 2024-05-31 Arguably Schmitt's most influential work recognized as one of the most important tracts of modern political thought Samuel Earle The New Statesman In this his most influential work legal theorist and political philosopher Carl Schmitt argues that liberalism's basis in individual rights cannot provide a reasonable justification for sacrificing oneself for the state a critique as cogent today as when it first appeared George Schwab's introduction to his translation of the 1932 German edition highlights Schmitt's intellectual journey through the turbulent period of German history leading to the Hitlerian one party state In addition to analysis by Leo Strauss and a foreword by Tracy B Strong

placing Schmitt's work into contemporary context this expanded edition also includes a translation of Schmitt's 1929 lecture *The Age of Neutralizations and Depoliticizations* which the author himself added to the 1932 edition of the book *An essential update on a modern classic* *The Concept of the Political* Expanded Edition belongs on the bookshelf of anyone interested in political theory or philosophy Contains much of what is fundamental in Schmitt's understanding of the political nature of man and the state including his contentious definition of the political as the distinction between friend and enemy Its scholarship is unquestionable Joseph W Bendersky *Canadian Journal of Political and Social Theory* The best introduction to Schmitt's thought Mark Lilla *New York Review of Books* A foundational work Minor disagreements over terms fade in light of the superb job Schwab has done rendering Schmitt's long multi clausal German sentences into concise pellucid English Robert D Rachlin *HNet*

Second Tolstoy Steve Hickey, 2021-11-12 Very few if any have devoted more years to practicing and teaching others to practice the precepts of Jesus's Sermon on the Mount than Leo Tolstoy He stands apart in the history of interpretation and has had enormous influence on others and other countries Yet Gandhi or others often get the glory Tolstoy is remembered as a great writer but his religious and philosophical works are by and large unknown or disparaged even in scholarly Tolstoyan circles His contribution is substantially under appreciated and misunderstood In *Second Tolstoy* The Sermon on the Mount as Theo tactics Steve Hickey captures the particulars and dynamics of Tolstoy's interpretation of the Sermon on the Mount from a deliberately sympathetic vantage point Underlying this project is shared belief with Tolstoy that the Sermon on the Mount is liveable and to be lived While from the vantage point of traditional orthodoxy Tolstoy got much wrong there remains a lack of appreciation for what he got right radical obedience to the teachings of Jesus A new vocabulary is proposed to more precisely capture Tolstoyan lived theology namely the political and social expressions of Tolstoyan Christianity with the hope that these theories and practices will gain a wider consideration understanding and following

Roscoe and Italy Stella Fletcher, 2016-04-08 Anglo Italian cultural connections in the eighteenth and nineteenth centuries have been the subject of numerous studies in recent decades Within that wider body of literature there has been a growing emphasis on appreciation of the history and culture of Renaissance Italy especially in nineteenth century Britain In 1954 J R Hale's *England and the Italian Renaissance* was a pioneering account of the subject followed in 1992 by Hilary Fraser's monograph *The Victorians and Renaissance Italy* and in 2005 by *Victorian and Edwardian Responses to the Italian Renaissance* edited by John E Law and Lene stermark Johansen There is however an obvious gap in the literature concerning the pivotal figure of William Roscoe 1753 1831 the first English language biographer of Lorenzo de Medici and of Pope Leo X The *Life of Lorenzo de Medici* called the *Magnificent* proved to be so popular as to prompt the claim that Roscoe effectively invented the Italian Renaissance as it has become understood by subsequent generations of readers in the English speaking world This collection of ten essays redresses the balance by examining Roscoe as biographer as a connoisseur of Italian literature and as a collector of Italian works of art
