## **Life Without A Father Fathering A Fatherless Generation:**

**A Message to a Fatherless Generation** Shafeeq Ameen PhD, 2020-07-08 With the devastating impact of absent fathers in the lives of their sons Shafeeq Ameen takes a compelling look at the pathology of violent young men who are disrespectful of women and authority figures and juxtapose those images with a generation of fragile individuals desperate to reconnect with a missing part of themselves After thirty years in the classroom witnessing first hand the destructive consequences of absent fathers in the lives of their sons A Message to a Fatherless Generation addresses this issues head on and gives researched based solutions along with real life scenarios to help shine a spotlight on a problem that is destroying the lives of young men who will always feel a sense of loss and insecurity without having an involved father back in their lives *Life Without Father* David Popenoe, 1996 The author of *Disturbing the Nest* Family Change and Decline in Modern Society reveals how the disintegration of the child centered two parent family and the weakening commitment of fathers to their children that usually follows are a central cause of many of America s worst individual and social problems

**Life Without a Father** Ansy Dessources, 2014-12-12 America has never had a generation where the Father has been absent from the lives of children as it does today Life without a Father addresses the real issues we face in this crisis and gives sound biblical solution on how to approach this ever growing issue Dr Ansy Dessources gives his real life experience and pastoral insight in this informative and authentic writing Life without a Father will change the way you see this fatherless generation forever

**New Family Values** Karen Struening, 2002-06-25 How many different kinds of families are there New Family Values provides a critical analysis of scholars and authors who argue that law and policy should be used to foster one model of the family the intact two parent heterosexual family Karen Struening argues that this position does not adequately address the problem it supposedly solves family dissolution and unnecessarily constrains personal liberty Healthy families may be necessary for civic unity and individual stability but there can be many different kinds of families

**Lost Fathers** Cynthia R. Daniels, 2000-04 This book brings together the voices of a highly diverse group of scholars to reflect on the culturally and politically charged concept of fatherlessness in contemporary American politics **Taken Into Custody** Stephen Baskerville, 2007-09-01 Taken into Custody exposes the greatest and most destructive civil rights abuse in America today Family courts and Soviet style bureaucracies trample basic civil liberties entering homes uninvited and taking away people s children at will then throwing the parents into jail without any form of due process much less a trial No parent no child no family in America is safe The legal industry does not want you to hear this story Radical feminists bar associations and social work bureaucracies have colluded to suppress this information Even pro family groups and civil libertarians look the other way Yet it is a reality for tens of millions of Americans who are our neighbors

**Fathers, Families, and the State in France, 1914-1945** Kristen Stromberg Childers, 2003 The state s policy with

regard to fathers and fatherhood had a great impact on concepts of citizenship and gender in France in the era of the two World Wars Drawing on new material that has only recently become available from the archives of the Vichy regime Kristen Stromberg Childers analyzes the ways fathers were promoted as saviors of the nation after France's humiliating defeat by the Germans in June 1940 Childers argues that concern for the family and for the status of fathers in modern France was not merely a response to falling birthrates and German aggression but was fundamental to the very notion of citizenship and political participation The debate on men as gendered beings Childers demonstrates is central to the political social and cultural history of France in the modern age The father figure became a focus as participants from all classes and across the political spectrum debated what was wrong with the French family and what policies were needed to remedy the problem Childers examines how these policies were implemented what they reveal about the development of the welfare state in France and how they help explain the importance of Vichy in twentieth century French history Twenty eight illustrations including fifteen photographs many never previously published complement her argument

**God's Covenant With You for Life and Favor** John Eckhardt,2015-04-07 GOD HAS ALREADY MARKED A PATH OF SUCCESS FOR YOU Covenant is enacted in every part of your life from marriage and family to deliverance and freedom all the way down to your finances When you stay true to your covenant with God you can be sure that no matter what storms come in life it is God s everlasting covenant of peace that will bring you through victoriously God s Covenant With You for Life and Favor shows you how being in covenant with God Frees you from your past Allows you to harness your future with expectancy Puts you in position to receive the supernatural wisdom of God Catapults you into the new things of God and much more When you stay true to your covenant with God you can be sure that for every circumstance you face it is His everlasting covenant that will bring you through to victory *The 50/50 Solution* Emma Johnson,2024-03-26 There is one proven method for happier kids more involved dads and less stressed out moms after divorce 50 50 custody It s hard for everyone when parents split up but the end of living together doesn t need to mean the end of a functional family Part of the reason divorces are so traumatic for the kids involved is because of our child custody system which truly sets everyone up for failure Throughout the country the default arrangement is for Mom to get majority time with the kids and most of the responsibility of caring for them for Dad to become an occasional visitor and perhaps saddled with massive child support payments and for the kids to lose the stability structure and confidence of knowing they have two equally committed loving parents But it doesn t have to be this way In *The 50 50 Solution* creator of the Wealthy Single Mommy community Emma Johnson showcases the robust research proving that in the vast majority of cases equal timesharing is the best outcome for everyone in a family where the adults no longer live together *The 50 50 Solution* will show you that equal parenting time leads to Better physical emotional and mental health for children of divorce Higher career earnings for single mothers

Fathers who are more engaged and whose rights as parents are preserved Far less parental and legal conflict A progressive forward thinking cultural norm that promotes gender and racial equality for all families regardless of their configuration A few states have already adopted 50 50 custody as the default arrangement and several more are poised to follow Equal parenting time is the custody framework of the future and The 50 50 Solution shows readers how it helps our families and communities thrive

**The Gendered Society** Michael S. Kimmel, 2000 They say that we come from different planets men from Mars women from Venus that we have different brain chemistries and hormones and that we listen speak and even define our morals differently How is it then that men and women live together take the same classes in school eat the same food read the same books and receive grades according to the same criteria In The Gendered Society Michael S Kimmel examines our basic beliefs about gender arguing that men and women are more alike than we have ever imagined Kimmel begins his discussion by observing that all cultures share the notion that men and women are different and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes In fact he asserts that the reverse is true gender inequality causes the differences between men and women Gender is not simply a quality inherent in each individual it is deeply embedded in society's fundamental institutions the family school and the workplace The issues surrounding gender are complex and in order to clarify them the author has included a review of the existing literature in related disciplines such as biology anthropology psychology and sociology Finally with an eye towards the future Kimmel offers readers a glimpse at gender relations in the next millennium Well written well reasoned and authoritative The Gendered Society provides a thorough overview of the current thinking about gender while persuasively arguing that it is time to reevaluate what we thought we knew about men and women
