Heroism in the Pursuit of Happiness David J. Kuby,2017-08-04 As all of us earthly creations are both wired to seek pleasure and to avoid pain to help us survive but humans are able to transcend both pleasure and pain in order to achieve their higher purpose Pleasure draws us to our happiness goals but the virtues of heroism give us the discipline and sacrifice required for the challenges in the happiness pursuit We run the good race because of the big picture meaning which each challenge holds for the whole life journey allowing us to prioritize and focus on our highest good Our lifespan stages lead us to the joyful sacrifices of marriage and parenting into future generations as a form of this worldly transcendence of death Many singles duplicate the role of parenting in their work as teachers mentors or spiritual leaders while some singles find their call to serve through religious communities This book celebrates all calls to joyful service that expand the loving bonds of family to embrace all mankind

**Heroism in the Pursuit of Happiness** David Kuby,2022-08-05 Heroism in the Pursuit of Happiness Power and love Through Life s Peaks and Pits Heroism in the Pursuit of Happiness is a celebration of an all surpassing divine love that redeems our hybrid mix of good and evil wisdom and foolishness The idea of hybrids is to get the best and minimize the worst of any two fruits veggies cars and so on The hybrid car can be battery run when we run out of gas We human hybrids run the good race until we run out of will power and must find the reserve battery of our higher

power We need spiritual heroes like St Paul to reveal our human hybrid mix of foolishness and wisdom weakness and strength Paul had a strong will to fight the good fight against evil but was shocked to discover his moral weakness What I should do I do not do What I should not do I do Who can save us when our will power falls short How do we let go and let God be God as we move through the crises of our life span
