

THE LIGHTNING THIEF:

Discussion Guide #1

Encourage critical thinking and support your students' literacy development by asking questions during reading. Here are some questions you can ask your readers to engage them in a discussion.

Chapters
1–3

1. I Accidentally Vaporize My Pre-algebra Teacher
2. Three Old Ladies Knit the Socks of Death
3. Grover Unexpectedly Loses His Pants

Comprehension:

- Why is Percy both hopeful and nervous about the museum field trip?
- In the first chapter, Percy and Mr. Brunner discuss the myth of Kronos, a Titan from Greek mythology. Explain what Kronos did to his children and what Kronos's wife and Zeus did in response.
- How do both Mrs. Dodds and Mr. Brunner surprise Percy during the museum field trip? What does Percy do in response?
- What does Percy conclude after eavesdropping on Mr. Brunner and Grover?
- Why is Percy surprised when Grover gives him a card with his contact information and suggests he can protect Percy?
- What does Grover observe at the fruit stand that makes him nervous?
- Who is Gabe? What does he demand from Percy when Percy comes home from school?
- What are two reasons Percy is shocked and confused after his mom opens the cabin door during the storm?

Analysis:

- How does Percy interpret Mr. Brunner's comments about leaving Yancy? Why do you think Percy is more upset by what Mr. Brunner says than he is by his English teacher's criticism?
- Percy's description of the beach cabin shows that he's content and happy when he's there. Based on what you know about his life at school and home, why is the cabin so special to him?

Personal Connection:

- Percy follows his description of the shabby, run-down beach cabin by saying he loves the place. Describe a place that's important to you but may not seem very special to others. How does the place look, sound, and smell, and why is it special to you?

English Language Arts, Grade 6 Module 2 PCG Education, 2015-12-14. Paths to College and Career. Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception, blended learning experiences for teachers and leaders that enrich and extend the learning, a train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.
