Study on the Prison Epistles Rev. Frank Abrahamsen, 2012-04-05 This book is a comprehensive study on the Prison Epistles which were written by the Apostle Paul while he was imprisoned in Rome Paul was allowed to live in a rented home instead of an actual prison While captive in Rome he penned the Prison Epistles Ephesians Philippians Colossians and Philemon This workbook is formatted for individual or corporate participation the latter presenting opportunities for interaction Interaction is the key to comprehensive learning The course is designed for each participant to make practical application of the Word of God This indeed is God's purpose and intent with His Holy Word Daily devotion is a must for Christians the world satan and the flesh drain power out of Christians continually Consequently the Word is needed to bring rejuvenation to fill with the Holy Spirit **Emotional Purity (Includes Study Questions)** Heather Arnel

Paulsen, 2007-04-11 Have you ever given your heart to someone who didn't love you back Do you feel like you've experienced heartache over and over again If you are emotionally attached to someone it's easy to cross the line and become emotionally intimate Then if the relationship doesn't work out you're left with scars on your heart The church teaches us the importance of physical purity but it teaches little about emotional purity Christian singles often wear their hearts on their sleeves which can lead to intense emotionally intimate male female friendships with no commitment to pursuing marriage People may have had several of these friendships and still consider themselves pure but in reality they have given away pieces of their hearts that should be reserved for their future spouses Emotional Purity will show you how to define and set boundaries in your relationships to avoid making the same mistakes Learn how to guard your heart and keep it emotionally pure Using fictional and real life examples along with sound biblical advice author Heather Arnel Paulsen outlines the pitfalls of undefined relationships and presents guidelines for living an emotionally pure life *Ephesians: An Introduction and Study Guide*

Stephen E. Fowl, 2017-01-12 In this guide Stephen E Fowl introduces students to both theological fruit and critical issues of the letter to the Ephesians On the theological front Fowl shows how Ephesians offers an unparalleled cosmic vision of the significance of the death and resurrection of Jesus of the role of heavenly powers in the universe and of how the community of Christians is to engage with those powers Fowl also opens up the major identity questions Ephesians shows existed for early Christians how to conceive the relationship of Gentiles with the Jews from among whom their faith emerged and how to live as a Christian within households ordered on patriarchal lines while not capitulating to patriarchy On the critical front Fowl provides an introduction to the key critical questions and issues such as whether this letter was actually written to a

church in Ephesus and whether Paul the apostle was indeed the author of the letter Yet whilst there are demanding linguistic historical and cultural questions to be answered Fowl is careful to point out that this should not be done at the expense of reading the text closely and appreciating its meaning and message

The Forgotten Commandment Paul T. Evans, Paul Evans, 2010 You ll never see me in a church again This comes from being wounded and hurt in church At one time church was fulfilling and exciting inviting you to get involved build some friendships and participate in something meaningful And slowly it begins to happen things are not quite like you first perceived them and in getting close to others relationships just go sour Relationships are very important to God They are a priority to Him This book is all about building loving and meaningful relationships for real The greatest deficient of the modern day church is that little or nothing is understood about the ultimate and most important Purpose of God and what it really means to love one another Learning how to regularly practice this kind of love in life has the potential for changing the course of modern history The Forgotten Commandment that you hold in your hand is like a modern word of prophecy for every believer in Christ Don t let this opportunity slip away from you Take it read it and apply it in your life then you will know just how important this message is for our generation Now can begin the journey of your life to join many others in fulfilling the Purpose of God and changing the course of history fulfilling the Great Commandment Are you willing
