The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on real world language for social situations. The listening and reading material provides fresh new angles on universal topics and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalised. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students regular opportunities to evaluate their progress. **product description** **Language Links Pre-intermediate with Answers and Audio CD** Adrian Doff, Christopher Jones, 2007-05-03
A unique approach combining grammar, vocabulary and phrases to give students the range of language they need to communicate effectively. To talk about money, for example, you not only need vocabulary (credit card, bill, receipt) but also verb forms (I paid, I bought, It cost) and phrases such as 'Can you lend me?', 'Can we have the bill?'. Special links between units direct you to related language areas. This means you can choose your own learning path through the book or you can

work through the units systematically helping you to progress at your own pace This pre intermediate book with answers and audio CD is ideal for self study *face2face Upper Intermediate Student's Book* Chris Redston,Gillie
