my time in this world nor was I physically ready to be part of such a great venture My experience of this venture related very well with how I see the world around me and how we as people engage and relate with the universe Climbing Kilimanjaro became a perfect analogy on how to interpret the life we live It was about the survival on this earth Our interaction with people and earthly creation is fully captured in a matter of few days on the mountain [Neonatal health in low- and middle-income countries](#) Britt Nakstad,Ashish K.
