Transformational Geometry

Jessie is thinking about putting a pool in her front yard. You, an architect, came over and drew up a design. After a few days of looking at the design, she decided she wanted to flip the pool onto the other side of the fence and place it in the backyard. Please update the sketch to create a new plan.

What type of transformation would have to occur in order for this to happen?

How will the new drawing look compared to the original? Explain using mathematical reasoning.

Perform the transformation and label your image.
