*The Pennsylvania Magazine of History and Biography*, 1909      **Jews, Slaves, and the Slave Trade** Eli Faber, 2000-07-01 Lays to rest the controversial myth of Jewish involvement in the slave trade In the wake of the civil rights movement a great divide opened up between African American and Jewish communities What was historically a harmonious and supportive relationship suffered from a powerful and oft repeated legend that Jews controlled and masterminded the slave trade and owned slaves on a large scale well in excess of their own proportion in the population In this groundbreaking book likely to stand as the definitive word on the subject Eli Faber cuts through this cloud of mystification to recapture an important chapter in both Jewish and African diasporic history Focusing on the British empire Faber assesses the extent to which Jews participated in the institution of slavery through investment in slave trading companies ownership of slave ships commercial activity as merchants who sold slaves upon their arrival from Africa and direct ownership of slaves His unprecedented original research utilizes shipping and tax records stock transfer ledgers censuses slave registers and synagogue records These materials reveal once and for all the minimal nature of Jews involvement in the subjugation of Africans in the Americas A crucial corrective Jews Slaves and the Slave Trade lays to rest one of the most contested historical controversies of our time

**Jewish Entanglements in the Atlantic World** Aviva Ben-Ur, Wim Klooster, 2024-01-15 Jewish Entanglements in the Atlantic World represents the first collective attempt to reframe the study of colonial and early American Jewry within the context of Atlantic History From roughly 1500 to 1830 the Atlantic World was a tightly intertwined swathe of global powers that included Europe Africa North and South America and the Caribbean How when and where do Jews figure in this important chapter of history This book explores these questions and many others The essays of this volume foreground the connectivity between

Jews and other population groups in the realms of empire trade and slavery taking readers from the shores of Caribbean islands to various outposts of the Dutch English Spanish and Portuguese empires Jewish Entanglements in the Atlantic World revolutionizes the study of Jews in early American history forging connections and breaking down artificial academic divisions so as to start writing the history of an Atlantic world influenced strongly by the culture economy politics religion society and sexual relations of Jewish people     *The Reform Advocate* ,1913

Marcus Garvey, 2023-09-01 Marcus Mosiah Garvey 1887 1940 led an extraordinary mass movement of black social protest His Universal Negro Improvement Association and his back to African program of racial nationalism introduced many ideas that emerged again during the Black Power years of the 1960s pride in black roots pride in black physical features and African culture and rejection of assimilation into white America Yet the charismatic black Jamaican who roared his credo before huge audiences on the street corners of Harlem remains an enigma His image as an honest idealist urging blacks to build their own nation has been clouded by accusations that he was a con man who in the name of black pride perpetrated one of history's greatest swindles The Marcus Garvey And Universal Negro Improvement Association Papers clarifies the Garvey phenomenon This is the first volume in a monumental ten volume survey of thirty thousand archival documents and original manuscripts from widely separated sources brought together by editor Robert A Hill to provide a compelling picture of the evolution spread and influence of the UNIA Letters pamphlets vital records intelligence reports newspaper articles speeches legal records and diplomatic dispatches are enhanced by Hill's descriptive source notes explanatory footnotes and comprehensive introduction Of the over three hundred items included in Volume I only very few have ever been published or reprinted before Volume I begins with the earliest mentions in 1826 of the Garvey family in Jamaica's slave records and closes with Garvey's triumphant address at Carnegie Hall on August 25 1919 The information is fascinating and often startling tracing Garvey's early career in Jamaica Central America Europe and the United States and detailing the first stirrings of what was to become an international mass movement Hill presents complete documentation of the first official surveillance of the UNIA which prepared the way for the beginning of the criminal and civil litigation that engulfed Garvey and his movement as American and European governments reacted to the perceived threat with repressive policies The documents also record the internal structure and political splits during the early years of the UNIA and provide the financial history of Garvey's controversial Black Star Line steamship venture one of the schemes that ultimately led to the financial collapse of his movement The first volume and the following five focus on America the seventh and eighth on Africa and the

last two on the Caribbean The information Hill has compiled goes far beyond preoccupation with a single intriguing historical figure to document the growth and demise of a mass social phenomenon an Mro American protest movement with strong links to African and Caribbean nationalism in the first decades of the twentieth century Marcus Mosiah Garvey 1887 1940 led an extraordinary mass movement of black social protest His Universal Negro Improvement Association and his back to African program of racial nationalism introduced many ideas that emerged again during the Black Pow
