O. Flower,2015-07-08 Excerpt from *Gerald Massey Poet Prophet and Mystic* This little work briefly discusses the life and work of one of England's poets of the people who deserves far more from the hands of those who love justice freedom and truth than he has received I have purposely quoted very freely from the writings of Mr Massey because I am persuaded that in order to know the true self or the spiritual ego of an individual we must see his soul in action see him battling with injustice or error when the profound depths of his being are stirred by some high and saving truth for then is revealed the spirit unconscious for the moment of the fetters of environment or the trammels of artificiality which surround us all About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Gerald Massey** B.
