The Darkie's Gold Max Barrington, 2025-11-04 There are books that entertain, books that thrill, and then there are books like which haunt. Max Barrington's sweeping novel is far more than a crime mystery or a bushranger legend; it's a richly layered exploration of legacy, identity, and the lengths we go to in pursuit of truth or treasure. From the very first page, the story casts a long and mysterious shadow, beginning with Wesley and Adina Ahrens purchasing the storied Twilight Tavern in San Francisco, a setting as steeped in secrets as the couple themselves. The legend of Australian bushranger Frank Gardiner lingers like a ghost over every scene, but it's not nostalgia that drives this narrative; it's reckoning. Reckoning with the past, with hidden sins, and with a line of fate that stretches from the lawless goldfields of
