Kanniah, 2018-12-13 Joy in the Christian life has never been a divine suggestion but an indelible part of His new creation yet we have found that much of what is today dubbed Christianity lacks this intrinsic feature As to naming the source of the problem we have found many views But this author has but one to name and that is the laziness of modern Christians in understanding their position in Christ Christians do not make the study of the scriptures a lifestyle Joy as a concept was God's invention not man's and yet today people are convinced that they can obtain this blessing without Him He gave it and outlined only in His Word how to get it and keep it This is why I call it a theology and not a philosophy It requires thinking biblically A pastor of a local church and loves teaching the Bible verse by verse
