High Kings And Vikings English Edition

Martin J. Dougherty

High Kings And Vikings English Edition:

A Military History of Ireland Thomas Bartlett, Keith Jeffery, 1997-10-09 This is a major collaborative study of organised military activity and its broad impact on Ireland over the last thousand years or so from the middle of the first millennium AD to modern times It integrates the best recent scholarship in military history into its social and political context to provide a comprehensive treatment of the Irish military experience The eighteen chronologically organised chapters are written by leading scholars each of whom is an authority on the period in question Drawing the whole work together is a wide ranging introductory essay on the Irish military tradition which explores the relationship of Irish society and politics with militarism and military affairs The text is illustrated throughout by over 120 pictures and maps Alfred the Great Timothy

Reuter, 2017-05-15 1999 marked the eleven hundredth anniversary of the death of Alfred the Great and to mark this event two international conferences were held to re evaluate and contextualise Alfred s achievements and the developments of his reign This volume includes papers given at both events and provides substantial assessments by leading scholars of issues of source criticism of the large corpus of Old English literature associated with Alfred and of developments in government and society in late ninth century England It also explores how Alfred and his kingdom related to the wider geo political and cultural situation in the British isles and continental Europe and closes with a substantial survey of the uses and shifts in Alfred s reputation in the centuries following his death This substantial and wide ranging volume will become a standard reference work for anyone interested in Old English literature or Anglo Saxon history and will set the pattern of future scholarly debate *The Untold History of the Celts* Martin J. Dougherty, 2016-07-15

Before the Vikings before the Anglo Saxons before the Roman Empire the Celts dominated central and western Europe Today we might think of the Celts only inhabiting parts of the far west of Europe Ireland Great Britain France and Spain but these were the extremities in which their culture lasted longest In fact they had originated in Central Europe and settled as far afield as present day Turkey Poland and Italy From their emergence as an Iron Age people around 800 BC to the early centuries AD Celts reveals the truth behind the stories of naked warriors ritual beheadings druids magic and accusations of human sacrifice The book examines the different tribes the Hallstatt and La T ne periods as well as Celtic survival in western Europe the Gallic Wars military life spiritual life slavery sexuality and Celtic art *Haskins Society Journal Studies in Medieval History* Robert
