Waterstone's Guide to Books Waterstone & Co., Ltd, 1989 **Public Memory and the Television Series** **Outlander** Valerie Lynn Schrader, 2020-12-30 Using rhetorical criticism as a research method *Public Memory and the Television Series Outlander* examines how public memory is created in the first four seasons of the popular television show *Outlander* In this book Valerie Lynn Schrader discusses the connections between documented history and the series noting where *Outlander's* depiction of events aligns with documented history and where it does not as well as how public memory is

created through the use of music language directorial and performance choices and mise en scene elements like filming location props and costumes Schrader also explores the impact that Outlander has had on Scottish tourism known as the Outlander effect and reflects on whether other filming locations or depicted locations may experience a similar effect as Outlander's settings move from Scotland to other areas of the world Furthermore Schrader suggests that the creation of public memory through the television series encourages audiences to learn about history and reflect on current issues that are brought to light through that public memory

Historical Dictionary of the 1960s James S. Olson, 1999-12-30 Few eras in U S history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s When JFK became president in 1960 the U S was the hope of the world Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U S was really the land of the free and the home of the brave This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women's movement and the youth rebellion It covers the political military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history
