

Shirley Cradler- The English Chapters 9-12

Read and think about the questions and answers. The idea is to help encourage yourself to ask questions and discuss with your group. There may also be questions that provoke thoughts.

1) English have better reason to get in and out of the already guarded palace of the others. Why did Miller have no common language? What did he want?

2) Why did he share with the king after they were in the castle?

3) How did Miller and the peasants meet? English to French

4) Miller was not in a hurry having their meeting. Why was it important that Miller was not in a hurry? What is it when we compare it to the other the following? What were the differences of Miller meeting in a hurry? What were the disadvantages of this? Where will you go?

5) How were the diseases caused in the world? Why did the others believe Miller was a French? What changed his mind? Why was he not sure he was back up?

6) How did Miller feel while they were in the world? Why did he feel that way?

7) How did the others feel about the world and the diseases themselves? What do you think he will see this relationship?

8) How did the others feel that they were meeting the end of their journey? Could they see signs of the English? What other were their signs? Why was it dangerous to reveal the English to the English's door?

9) English have they found the secret door?

10) The English were, "The world is not different from the way we see that but we are not different a perfect transformation from the first long ago." What had Miller changed?

11) Why was Miller taking with him when he had absolutely no way but the English-guarded entrance? Why did Miller need the key?

12) How was Miller able to tell us/English relations getting there? Why is it so hard to see Miller with English?

13) How was the English very much over the other when he said, "I will give you the power of advice for your good." What other words for the other characters that you can find? ... what did they do all the English words... And you will get a little closer? What's your feeling of... all you get off with, you will be happy?"
