Housewife was a best seller in its time. Aimed at women of the aspiring middle class, it was not simply a book of recipes but rather a cookbook designed as an epistolary novel. Soyer created fictional characters Hortense B and Eloise L who stood for the values of the era. Hortense was the efficient mistress of a smoothly run middle class household while Eloise was ineffectual and sought Hortense's assistance. Through this conceit, Soyer does manage to include hundreds of recipes that were designed to meet the varying incomes and needs of the multi-faceted English middle class. This 1850 volume is edited by an American Housekeeper and adapts Soyer's recipes to an American audience without losing any of the design or tone of the original.
