Writing In InDesign CC 2014 Producing Books David Bergsland,2014-06-18 This is a major update for me The ePUB production techniques have changed quite a bit both for fixed layout and for reflowable ePUBs Many of the changes I ve been waiting for with ePUB production have been implemented InDesign now stands at the top of the heap for book production in general and ePUB production in particular You do not need to know code though understanding how HTML and CSS works will aid your conceptual understanding I was lukewarm about FXL until I realized that the new fixed layout ePUBs would show gradient paragraph rules gradient strokes and fills in tables and much more The only major things we re missing are justification and hyperlinked test does not work in FXL The exported ePUBs upload flawlessly to the iBooks Store and Kobo Writing Life Finally the 21st century book publishing software we need is within our grasp There s still more to come but this version is very good

Writing In Holiness David Bergsland,2015-01-02 In the new millennium an incredible opportunity has appeared to the Body of Christ the new self publishing paradigm It is my belief that the Lord intends to use this gift as a tool

to disciple the church and to plant seeds for the final harvest Only time will tell about this Regardless the role of Christian author in the midst of all that is going on in the world needs careful examination If the Lord has called you to write what does that mean You have been called by the Lord of Lords to do this work He has given you to do That s real serious This is God talking to you What does He expect from you How are you to respond What skills will you need How will you get your books to sell The questions keep appearing before our eyes one after the other as we struggle to make sense of it all So who am I to try and help One compelled to write about these issues and to encourage Christian authors to walk the strait and narrow path I ve been teaching scripture since 1974 which is almost as long as I have been working for publishers and designing books I was a teaching pastor for over a decade But none of that matters What matters is how you react to the message
