inch high midget suffering from dwarfism It is because of this amazing ability of the two heroines to discount and ignore the outward form which would deter most and to find discover one quality of real worth that makes them want to be with and stay with the unfortunate protagonist despite all his handicaps and challenges In the case of la Bete it was his gentle voice and nobility of character plus possibly the fact that he owned a castle and was a man of rank and station while in the case of Tim Thimble it was on account of his brave heart and ten foot tall courage that he succeeded in winning the heart of his lady love In both stories the story is consummated reason for quotation marks please read on by the heroine marrying the protagonist In the first book Beauty the name of the young girl la Bete tells the young girl that he is dying and gives her a ring to put on her finger when she didn t want him to die and promptly she put it on and told him she wanted to marry him Coincidental with putting the ring on her index finger la Bete is transformed into A Beautiful Prince the act of putting on the marriage ring having broken the spell placed on him by a fairy which had made his outward appearance and aspect so betes In our book the second book the heroine marries the protagonist on pastor s condition he attend daily sermon in church every day of his life so that sometime in the present or the future he will find the holy grail of the miracle yeast that will like any good yeast make him grow to normal size to match his inner courage and thus by dint of steadfastness endurance and perseverance in doing his duty or labour of love will be able at last to consummate his marriage and forthwith live happily forever after with his lady love
