Common Sense Mathematics: Second Edition Ethan D. Bolker,Maura B. Mast,2021-01-21 Ten years from now what do you want or expect your students to remember from your course We realized that in ten years what matters will be how students approach a problem using the tools they carry with them common sense and common knowledge not the particular mathematics we chose for the curriculum Using our text students work regularly with real data in moderately complex everyday contexts using mathematics as a tool and common sense as a guide The focus is on problems suggested by the news

of the day and topics that matter to students like inflation credit card debt and loans We use search engines calculators and spreadsheet programs as tools to reduce drudgery explore patterns and get information Technology is an integral part of today s world this text helps students use it thoughtfully and wisely This second edition contains revised chapters and additional sections updated examples and exercises and complete rewrites of critical material based on feedback from students and teachers who have used this text Our focus remains the same to help students to think carefully and critically about numerical information in everyday contexts

Collision Course LR Penn,2013-02-01 Sex drugs murder and a lot of laughs are what make it hard to put down the latest work of fiction by LR Penn Collision Course examines various facets of the American dream contrasting the lifestyle inside the white picket fence with the fantasy world out in the fast lane Three women are waging a 21st century version of the battle of the sexes as they search for personal fulfillment but their intertwined lives are irreparably changed by a suspicious suicide The novel s heroine an alienated slacker with a strong libido decides that she needs to get to the bottom of the mysterious death and it is she who opens a Pandora s box from which bursts forth a whirling maelstrom of greed adultery and homicide Despite a fast moving plot with an emphasis on suspense eroticism and irreverent humor the narrative is richly textured and intellectually provocative By the end of the book who did what has been made clear but the lines between hero and victim and villain have become blurred
