Living Like A Lamb Among 21st Century Wolves Paul Estabrooks,2023-02-17 Paul Estabrooks *Living Like A Lamb Among 21st Century Wolves* Balancing Grace and Truth in a day when the polar opposite world views are endlessly hostile confrontational and seemingly intent on eliminating each other from public dialogue and discourse of each s particular views of life this is a book on how we Christians should respond to our current world dilemmas as well as to each other with grace and truth Carefully and skillfully handling Scripture culture and history Paul Estabrooks lays out a map for all Christians on how to maintain a grace filled approach to what are clearly wolves intent on Christian destruction and silence while sharing

the stories of persecuted Christians elsewhere who exemplify being overcomers The Good Life Charles Colson, 2012-01-12 Sharing from his own life as well as the stories of others Chuck Colson exposes the counterfeits of the good life and leads readers to the only true source of meaning and purpose Jesus Christ But he does that in an unusual way allowing powerful stories to illustrate how people have lived out their beliefs in ways that either satisfy or leave them empty Colson addresses seekers people looking for the truth He shows through stories that the truth is knowable and that the truly good life is one that lives within the truth Through the book readers get to understand their own stories and find answers to their own search for meaning purpose and truth *Reaping the Whirlwind* John R. Pottenger, 2007-07-05 As early as the sixteenth century the liberal democratic state has been forced to confront the question of religion in politics The result has been a tense and uncomfortable balancing act Today in the public square of liberal democracy a number of religious confessions and beliefs compete for attention In the American experience some sense of religious pluralism and relative social harmony has been maintained However for this relationship to prevail a tension must continue to exist one that balances the political and social pursuits of self interest with meeting the objectives of the common good In *Reaping the Whirlwind* John R Pottenger shows how this process began in the modern world and how societies attempt to manage this ongoing conflict The first part of the book lays the groundwork of his analysis by using examples from history to demonstrate the genesis of political and religious whirlwinds It goes on to explore contemporary case studies such as conflicts between Mormons and Evangelicals in the United States liberation theology in Latin America Islam and the state in Uzbekistan and radical Christian reconstructionism Pottenger believes that the formal institutions of liberal democracy should maintain this turbulence even as religious activism threatens to upset the balance He concludes by advocating religious liberty and recognizing the individual and social need for expression At the same time he maintains that the survival of liberal democracy requires that these religious traditions not dominate the public sphere **Fearless Parenting** George Barna, Jimmy Myers, 2017-07-04 Conscientious parents who long to bring their children up as good Christians and good citizens face an uphill battle In a culture of rampant narcissism and moral anarchy righteous living isn't easy and it isn't popular But positive cultural transformation happens quietly one life at a time and that is good news for parents In this hopeful book world renowned researcher George Barna and nationally respected counselor Jimmy Myers offer parents a plan of action to raise healthy godly children in a morally bankrupt culture If the parents of this generation want to see their children grow up with their faith and consciences intact they cannot afford to simply react making it up as they go along They must approach their responsibilities to parent their children with intentionality and consistency This eye opening book helps them do just that **How Then Shall We Guide?** Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction

expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis Rediscovering Holiness J. I.

Packer,2009-09-15 There was a time writes renowned theologian J I Packer in this classic book on biblical holiness when all Christians laid great emphasis on God s call to holiness But how different it is today To listen to our sermons and to read the books we write and then to watch the zany worldly quarrelsome way we behave you would never imagine that once the highway of holiness was clearly marked out for Bible believers In this revised and updated edition of *Rediscovering Holiness* the highway is once more clearly marked out for a new generation of readers pointing to true freedom and joy both now and in eternity *Boiling Point* George Barna,Mark Hatch,2003-11-26 Two decades ago a groundbreaking book called *The Frog in the Kettle* changed what we believe about the evangelical Church and its influence in America Subsequent books by George Barna have become must reading for church leaders and concerned Christians everywhere Now Barna takes a fresh look at the Church where we stand and where we are headed at the dawn of the new millennium With revealing statistics from cutting edge research that illustrate the changing beliefs and attitudes in our society today this book clearly shows the Church is at a crucial juncture in history a time of rapid change in which we must begin to anticipate the world s needs in order to meet them

SCM Studyguide: Biblical Hermeneutics David Holgate,Rachel Starr,2019-09-30 Fully updated and revised 2nd edition the SCM Studyguide Biblical Hermenuetics offers entry level undergraduates a framework for interpreting the Bible

Governance and Christian Higher Education in the African Context David K. Ngaruiya,Rodney L. Reed,2019-02-14 Integrity pastoral care and authority lie at the heart of Christian leadership and indeed following Jesus in any capacity and they are also critical in state governance and Christian higher education The articles in this book the product of the 2017 conference of the Africa Society of Evangelical Theology address these themes and other topics relating to the spheres of government and education in Africa to enhance our understanding of the challenges faced in African contexts A wide range of Christian scholar leaders provide a way forward for other church and institutional leaders who are seeking to faithfully fulfill their responsibilities of stewardship and instruction Corruption civil disobedience good governance and formation of Christian leaders are matters that are becoming increasingly relevant not only in many African countries but across the world and this book is a valuable resource for thoughtful reflection and guidance on these important subjects Farmers' Guide ,1898
