ISO9001: 2015 Quality Management System Ramesh R Lakhe, Mukesh Singhal, Balkrishna E Narkhede, Kranti Dharkar, Rakesh L. Shrivastava, 2018-05-30 ISO 9001 2015 quality management system has become part of the requirement of all the organizations small to large service as well as manufacturing Over the years ISO 9001 QMS has evolved as per the organizations requirement and has become very important for improving organizations systems and processes in order to sustain competitive advantages This book focuses on requirements and key features of ISO 9001 2015 QMS such as risk based thinking PDCA approach process management and continual improvement The readers would find it easier to understand the standard requirements and implement these in their work place Salient features 1 Each clause and sub clause is illustrated through block diagram for easy understanding 2 Numerous examples case examples and case studies from different organizations both from service and manufacturing for the benefit of the readers 3 Standard requirements expressed through process approach PDCA cycle and What How questions 4 Pedagogical tools such as chapter objectives audit questions flow diagrams learning assessments and multiple choice questions have been used 5 Special focus on risk based thinking and documented information provided 6 Management discussions to illustrate the clause requirements are included for better understanding and readability The forms and formats key performance indicators objectives standard operating procedures and audit requirements are included *ISO 9001:2015* VIVEK A. SHROUTY, 2021-04-14 This book deals with the anatomy diagnosis and inside story of ISO 9001 2015 which leads to its rather self explanatory name Just as one dissects the anatomy of a living organism the book dives into and separates each clause sub clause and sub sub clause before focusing on the diagnosis of each It also seeks to tell the readers about the inside story of ISO 9001 2015 which will be helpful for industries organisations entrepreneurs proprietors auditors internal and external consultants working in this area of ISO and the people at large who want to gain in depth knowledge about ISO 9001 2015 This book has been written with an emphasis on the requirement in subject matter It is hoped that the book will also help one to acquire a working knowledge of ISO 9001 2015 and provide one with a proper foundation both conceptual and factual to base further knowledge on 2 *Understanding ISO 9001 : 2015 Quality Management System, 2nd Edition, Revised and Expanded* Virendra Kumar Gupta, 2017-06-15 The 2015 version of ISO 9001 brings many enriching changes to promote quality excellence by organizations The most significant change is the reinforcement of the fact that ISO 9001 is not just a quality issue It is relevant as an overarching management topic The book explains the requirements of the revised 2015 version of ISO 9001 in simple and practical manner The objective has been to enhance understanding of the subject matter by managers and quality professionals A conceptual understanding shall enable managers and professionals to design better systems and processes uniquely suited to their respective organizations In view of this the first five chapters of the book explain concepts on QUALITY PROCESS PROCESS APPROACH MANAGEMENT and PDCA These are relevant for all

management system standards being developed by International Organization for Standardization with the High Level Structure Part II of the book goes into details of each clause focusing on processes and process interactions We expect that the readers will appreciate that ISO 9001 now focuses more on expected outcomes through processes than mandating too many requirements

ISO 9001 Itay Abuhav,2017-02-17 What is risk based thinking Do you know how to address risks and opportunities Did you ever analyzed risks Are you sure it is that what the ISO 9001 expects What do you really know about knowledge management Can you identify the types of knowledge in your organization How do you maintain knowledge What is awareness in the eyes of the ISO 9001 Standard Can you tell the relation between awareness and the effectiveness of the QMS This book explains in details all the new issues and topics required by the ISO 9001 2015 Standard and gives you the tools and tricks to answer the new requirements Just read and do The table of contents in the book are identical to the table of contents of the standard so you can orient yourself quite easily and find the specific advice you are looking for
