Peeke,2013-09-17 The body s built in reward system driven by the chemical dopamine tells us to do more of the things that give us pleasure Creative energy falling in love entrepreneurship and even the continued propagation of the human race are driven by this system Unfortunately so is the urge to overeat In The Hunger Fix Dr Pam Peeke uses the latest neuroscience to

explain how unhealthy food and behavioral fixes have gotten us ensnared in a vicious cycle of overeating and addiction She even shows that dopamine rushes in the body work exactly the same way with food as with cocaine Luckily we are all capable of rewiring and the very same dopamine driven system can be used to reward us for healthful exciting and fulfilling activities The Hunger Fix lays out a science based three stage plan to break the addiction to false fixes and replace them with healthier actions Fitness guides meal plans and recipes are constructed to bolster the growth of new neurons and stimulate the body's reward system Gradually healthy fixes like meditating going for a run laughing and learning a new language will replace the junk food couch time and other bad habits that leave us unhappy and overweight Packed with practical tips useful advice and plenty of wit wisdom and inspiring stories of those who have successfully transformed their bodies The Hunger Fix is a life changing program for anyone of any size trapped by food obsession and the urge to overeat

Concrete Permeability and Durability Performance Roberto J. Torrent, Rui D. Neves, Kei-ichi Imamoto, 2021-12-22 Durability and service life design of concrete constructions have considerable socio economic and environmental consequences in which the permeability of concrete to aggressive intruders plays a vital role Concrete Permeability and Durability Performance provides deep insight into the permeability of concrete moving from theory to practice and presents over 20 real cases such as Tokyo's Museum of Western Art Port of Miami Tunnel and Hong Kong Zhuhai Macao sea link including field tests in the Antarctic and Atacama Desert It stresses the importance of site testing for a realistic durability assessment and details the Torrent Method for non destructive measurement of air permeability It also delivers answers for some vexing questions Should the coefficient of permeability be expressed in m^2 or $m \cdot s$ How to get a mean pore radius of concrete from gas permeability tests Why should permeability preferably be measured on site How can service life of reinforced concrete structures be predicted by site testing of gas permeability and cover thickness Practitioners will find stimulating examples on how to predict the coming service life of new structures and the remaining life of existing structures based on site testing of air permeability and cover thickness Researchers will value theoretical principles testing methods as well as how test results reflect the influence of concrete mix composition and processing

Parties, Power and Policy-making Silvana Tarlea, 2018-12-14 This book explains the conditions under which political parties in government were able to influence economic growth in post communist European countries It highlights higher education and international investment as the two essentially related areas that have been steered by governments The book illustrates how these countries have become reliant on multinational companies MNCs given their governments strategy to attract foreign capital how political and economic factors are intertwined and how political parties in power can have a strong influence on the growth prospects of these economies Furthermore it illuminates the extent to which political parties use their space for manoeuvres when enacting policies and how they respond to their constituencies when doing so It shows how structural conditions such as the dependence on MNCs influence policies and how this pattern varies across Central and Eastern Europe The book brings political parties back into the discussion on

political economy and back into the analyses of welfare politics varieties of capitalism and democratic capitalism This text will be of key interest to scholars and students of comparative politics and comparative political economy European policy making Central and Eastern Europe trade welfare and development and higher education *Web Technologies and Applications* Xiaoyong Du,Wenfei Fan,Jianmin Wang,Zhiyong Peng,Mohamed A.
