

Everyone has had an embarrassing moment in their life at one time or another. It is that moment in time when you wish the earth would just open up and swallow you whole. The anxiety and discomfort felt during that time feels like eternity, as though time stood completely still just for that moment when in reality, it was only a few seconds. Some of these moments may just cause you to laugh, realising how small the situation was. However, others may make you just make you want to go back in time and change everything because it was just that bad. There is especially this one moment that I will never forget, even if I wanted to.....

It all started on a Monday. I was a 10 year old 5th grader. I happily skipped off to school as we had a field trip that day and my friends and I were over the moon. I walked through the doors and rushed to my seat. We went through our roll call and all the other things we did before starting our day. I impatiently watched the clock tick for an hour. Finally 10 o'clock came and we walked downstairs and piled up in the bus. Most of us couldn't control our excitement as we had not had a field trip since 1st grade. My throat was feeling dry so I drank some water. And boy was I wrong. By the time we reached there, my bladder was bursting. I didn't think much of it as I was too excited. Our whole class strolled down the halls of the army museum, oohing and aahing at all the exhibits. After a while, I felt as if I would burst like a balloon. It all happened suddenly. I felt as if I couldn't hold it anymore. My whole class had started looking at me and laughing. They laughed, they pointed and giggled. I had peed my pants. I felt the urine trickling down my legs and onto the floor. I felt more humiliated than I had ever felt before. That's when my teacher whisked me aside and took me to the restroom. I rushed into a stall and did my business. I stayed there for as long as I could until my teacher called me out. I was filled to the brim with fear of facing my classmates again. The teacher got me a pair of pants from the staffs storage room and threw mine in the bin. The pants were bright yellow and I felt like a banana. I walked outside with my head down, wishing I could just disappear as I felt everyone staring at me. The girl who peed herself. The rest of the trip went as horribly as it could. I lingered in the back and stayed out of sight of everyone. Whenever my classmates saw me they would point to my pants and make a disgusted face. Boy was I glad when that horrific field trip was over. I sat in the back of the bus and was the last one off. I never stopped thinking about that day. How humiliating, embarrassing and unforgettable that one moment was. The rest of the school year I became known as pee pants, a name given to me by my class. I wish I could go back in time and tell my 10 year old self not to drink a whole bottle of water. But I can't. All I hope is that nothing as embarrassing and horrific happens to me again.
