Student Diversity and Differentiation of Instruction

Student Diversity	Differentiation of Instruction
1. High Level Learners	Students with high writing skills will have the opportunity to use their creativity and vocabulary by offering sentence suggestions when the class writes the story together.
2. Low Level Learners	Reading the story out loud and writing it together will help students that struggle in reading and writing. Pictures of the narrative elements will also help more visual learners.
3.	

Formative and Summative Assessments

Measurable Objectives to be Addressed	Formative and Summative Assessment
1. Students will understand the elements of narrative writing: plot, setting, characters, problem, solution and sequence of story.	Formative: I will ask students to tap into prior knowledge and check understanding of narrative. After going over the elements with them, I will check if students can provide examples of narrative elements and put them into narrative form.

1

1. Students will be able to create their own narrative from a given writing prompt.	Summative: In the end of the unit, students will be able to write their own narrative that includes plot, setting, characters, problem and solution. Formative: As a class, we will make a story together through student-suggested ideas. This will show me which students understand the narrative genre and which may need more support. Summative: Throughout the unit, students will be creating their own narratives that will be edited and revised.
---	---

Big Ideas to be Addressed in the Lesson:

- Students see that narrative writing tells a story.

Teaching Strategies and Related Student Activities (Include Web 2.0 activities as appropriate)

Teaching Strategies and Related Student Activities: What are the teaching strategies and activities that you plan to use to help students meet the lesson's objectives? What are the steps that you will take to deliver this lesson (e.g., introduce the author, read the poem, ask students to...)?

5 minutes: I will tap into prior knowledge and ask students what is a narrative and what does a narrative need? I will introduce the basic elements of what a narrative is (plot, setting, characters, problem, solution, and beginning, middle and end) with drawings on the board.
