Do you have the feeling that you are not prepared to face an invasive number of questions about your accomplishments and career choices? Well, have no fear, my friend. You are at the right address. This book can guide you along. Topics that will be discussed in this book include: how to make a lasting first impression, asking specific questions about your motivation, how to dress, what to bring, how to react on the phone if applicable, how to show your interviewer that you are listening and interacting, etc. Book 2: When it comes to job interviews, it would surprise you how many people don't have a clue what to do. They think if they just act like themselves, nothing wrong with that, all else will just happen. That's not how it works.
