

Emergency Department Coding Policy

Strategic planning is a process that involves setting a vision, identifying key goals, and developing a plan of action to achieve those goals. It is a systematic approach to determining the organization's future direction and allocating resources to achieve that direction. Strategic planning is a continuous process that involves regular review and adjustment of the plan as the organization's environment changes. It is a key component of effective management and is essential for the long-term success of any organization.

[illegible]

The difference in the way that you conceptualized the pairing (highlighting just one characteristic instead of three) is an example of an *extension* and illustrates another relationship.

Other important areas include electronic journals, Internet and off-line databases and linking and reporting facilities, the library's "mass" electronic journals and periodicals lists, open access to electronic linking journals, the expanded syndicated cataloging of magazines and why this benefits all libraries that subscribe to these journals, increased electronic resources, etc.
